Kathy Smith Completes Term As Zebulon Chamber of Commerce President

Spectra's Kathy Smith has completed a four-year term on the Zebulon Chamber of Commerce Board of Directors. During her tenure she has been heavily involved in the community, getting to know other business owners, people who live in the community, volunteering for events, and serving as president of the Chamber board this past year.

Her final act as the president was to ride in the Zebulon Christmas Parade, in which she rode in a 1966 Lincoln convertible belonging to Charlie Winston of Raleigh, N.C. The car underwent a complete restoration last year by Linwood Piper, owner of Pipeperformance, Inc. of Raleigh.

Jim Duguid Joins The Spectra Builders Team

Last August, Spectra Builders welcomed Jim Duguid to our team as a project manager. Jim's a veteran who served our country in the U.S. Marine Corps. He has nineteen years of construction experience, eight years of facility maintenance, and is no stranger to Spectra; we developed a working relationship with Jim while he was employed from 2003 to 2006 with one of our current clients, Highwoods Properties. Jim and his wife, Mandy, reside in Wake Forest. They have three children and a dog.

Spectra is delighted to have Jim with us, and he's already proved himself to be a valuable asset to our team.
