## The Pastor's Thoughts

Dear Church Family,

This past month we have been seeking God's word to learn about what a biblical church member is. The Bible demonstrates that those Christians who were part of a local group of believers regularly gathered together, grew in relationships, gave spiritually and financially, and went out into the world with the gospel of Jesus Christ. In other words, they were all in! It would be unthinkable that a football team would have a team member that didn't show up to practice and refused to play and use their abilities during the games. If you are going to be a member of a football team you have to give your all! As Christians who are part of a team (part of a church), we also must give 100% for the glory of our God and King. Even as a pastor, I can be a better church member. How about you? In what particular area is God calling you to be a better member?

It is always a joy to serve our Savior along with you,

Pastor Pete
