

## APPENDIX B: PRESENTATIONS

---

Presented by the following sections: In-Person Courses, Webinars and On-Demand education in reverse chronological order

### In-Person Courses:

---

#### 2018

|                |   |
|----------------|---|
| December 2018  | Positioning the Head<br>National Seating and Mobility, Stealth Products<br>Peoria, IL   |
| November 2018  | Early Intervention with AAC<br>ASHA<br>Boston, MA   |
| November 2018  | Positioning the Head<br>Pediatric Power Mobility<br>WI Schools, Stealth Products<br>Wisconsin Dells, WI   |
| October 2018   | Pediatric Power Mobility<br>Region 4, Stealth Products<br>Houston, TX   |
| September 2018 | Positioning the Head<br>Secondary Supports<br>Pediatric Power Mobility<br>Numotion, Stealth Products<br>St. Louis, MO   |
| August 2018    | Positioning the Head<br>Secondary Supports<br>Power Wheelchair Alternative Driving Methods<br>Travis Medical, Stealth Products<br>Corpus Christ, TX<br>Victoria, TX |
| July 2018      | Positioning and Mobility for Complex Clients (pre-conference)<br>Seating and Wheeled Mobility: a new resource<br>RESNA<br>Arlington, VA                             |
| June 2018      | Positioning the Head<br>Switch Assessment<br>TX AT Network conference<br>Houston, TX  |

- May 2018                      Secondary Supports  
Positioning the Head  
Wheelchair Backs  
Numotion, Stealth Products  
Philadelphia, PA
- April 2018                      Positioning for Function  
Positioning the Head  
Switch Assessment  
Pediatric Power Mobility  
TIES conference  
Eugene, OR
- April 2018                      EADLs and Switch Assessment  
Lifescape  
Sioux Falls, SD
- March 2018                      Dynamic Seating (pre-conference)  
Power Wheelchair Alternative Driving Methods (pre-conference)  
International Seating Symposium  
Vancouver, BC
- February 2018                      Dynamic Seating  
Travis Medical, Seating Dynamics  
Georgetown, TX
- February 2018                      Positioning the Head  
Dynamic Seating  
Wheelchairs and Speech Generating Devices  
National Seating and Mobility  
Oklahoma City, OK
- 2017
- Dec 2017                      Positioning, Mobility, and Switch Access in the School Setting  
Harris Department of Education  
Houston, TX
- Nov 2017                      Dynamic Seating  
NuFair, Seating Dynamics  
Portland, OR  
Seattle, WA
- Nov 2017                      3 Ways to Keep Your Client's Head Up  
Wheelchair Seating and Secondary Supports: are we promoting function or tying  
the client down?  
Power Mobility: Alternative Driving Methods  
Great American Mobility, Stealth Products  
Houston, TX

- Oct 2017            Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down?  
Power Wheelchair Driving Methods for Your Toughest Clients  
NuFair, Stealth Products  
Boston, MA
- Sept 2017           3 Ways to Keep Your Client's Head Up  
Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down?  
Numotion, Stealth Products  
Ft. Wayne, IN
- Aug 2017            3 Ways to Keep Your Client's Head Up  
Power Wheelchair Driving Methods for Your Toughest Clients  
Alliance Rehab, Stealth Products  
Branson, MO
- July 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Nashville, TN
- July 2017            Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down?  
NuFair, Stealth Products  
Atlanta, GA
- May 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Riverside, CA
- May 2017            Power Wheelchair Driving Methods for Your Toughest Clients  
NuFair, Stealth Products  
Philadelphia, PA
- May 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Baltimore, MD
- May 2017            Alternative Driving Methods: What's New?  
Canadian Seating and Mobility Conference  
Toronto, Canada
- March 2017           Dynamic Seating  
NuFair, Seating Dynamics  
Salisbury, MD
- March 2017           Positioning the Head

Dynamic Seating (pre-conference session)  
International Seating Symposium  
Nashville, TN

Feb 2017      Power Mobility: Alternative Driving Methods  
Stealth Products  
Houston, TX

Feb 2017      Positioning for Function  
Numotion, Stealth Products  
Houston, TX

2016

Dec 2016      Switch Assessment  
Infinitec  
Wichita, KS

Nov 2016      Pediatric Seating  
NuFair, Stealth Products  
Dallas, TX

Nov 2016      Positioning for Function  
TIRR, Stealth Products  
Houston, TX

Nov 2016      Pediatric Power Mobility  
Numotion, Stealth Products  
Seattle, WA  
Portland, OR

Sept 2016      Power Wheelchair Driving Methods for Clients with Increased Tone  
Pediatric Seating  
NuFair, Stealth Products  
Indianapolis, IN

Sept 2016      Pediatric Seating  
Pediatric Power Mobility  
Stealth Products  
Baltimore, MD

July 2016      Switch Assessment  
Green River Regional Educational Cooperative  
Bowling Green, KY

July 2016      Power Wheelchair Driving Methods  
Positioning the Head  
RESNA  
Arlington, VA

|             |   |

| June 2016   | Dynamic Seating<br>Head Positioning<br>Sleep Positioning<br>Numotion<br>Philadelphia, PA  |
| June 2016   | Positioning for Function<br>Stealth Products<br>Duluth, MN  |
| March 2016  | Power Wheelchair Driving Methods for Clients with Muscle Weakness<br>International Seating Symposium<br>Vancouver, BC                                       |
| Jan 2016    | Positioning for Function<br>Stealth Products<br>Sioux Falls, SD   |
| Jan 2016    | Switch Assessment<br>Infinitec<br>Palatine, IL<br>Tinley Park, IL   |
| <u>2015</u> |   |
| Nov 2015    | Positioning the Head<br>Power Mobility: Alternative Driving Methods for Clients with Increased Muscle<br>Tone<br>NuFair<br>Stealth Products<br>Seattle, WA  |
| Nov 2015    | Positioning the Head<br>Power Mobility: Alternative Driving Methods for Clients with Increased Muscle<br>Tone<br>NuFair<br>Stealth Products<br>Portland, OR |
| Nov 2015    | Positioning the Head<br>NuFair<br>Stealth Products<br>Dallas, TX  |
| Oct 2015    | Advanced Seating and Mobility (2 day course)<br>RESNA/MedTrade<br>Atlanta, GA   |

- Oct 2015                    Power Wheelchair Alternative Driving Methods: what's new?  
MedTrade  
Stealth Products  
Atlanta, GA
  
- Oct 2015                    Advanced Seating and Mobility (2 day course)  
Rusk Rehab  
Columbia, MO
  
- Oct 2015                    Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating  
Numotion  
Springfield, MO
  
- Oct 2015                    Positioning the Head  
Power Mobility: Alternative Driving Methods for Clients with Increased Muscle  
Tone  
Closing the Gap  
Stealth Products  
Bloomington, MN
  
- Oct 2015                    Positioning the Head  
Power Mobility: Alternative Driving Methods for Clients with Increased Muscle  
Tone  
NuFair  
Stealth Products  
Long Beach, CA
  
- Oct 2015                    Alternative Drive Controls  
Long Beach VA  
Stealth Products  
Long Beach, CA
  
- Sept 2015                    Alternative Drive Controls  
NuFair  
Stealth Products  
Lansing, MI
  
- Sept 2015                    Alternative Drive Controls  
Good Shepherd  
Stealth Products  
Allentown, PA
  
- Sept 2015                    Fundamentals Course  
Palo Alto VA  
RESNA  
Palo Alto, CA
  
- Sept 2015                    Positioning for Function

|            |  |

| Aug 2015   | Alternative Drive Controls<br>Rancho Los Amigos<br>Stealth Products<br>Downey, CA  |
| Aug 2015   | Alternative Drive Controls<br>Positioning for Function<br>Stealth Products/Big Sky AMES<br>Anaconda, MT                        |
| July 2015  | Power Wheelchair Assessment<br>Numotion<br>Tampa, FL   |
| July 2015  | Building Consensus<br>National Seating and Mobility annual symposium<br>Nashville, TN  |
| June 2015  | Switch Assessment<br>Basic EADLs<br>RESNA Annual Conference<br>Denver, CO  |
| June 2015  | Switch Assessment and Mounting<br>Positioning for Access<br>TATN<br>Dallas, TX   |
| May 2015   | Positioning the Head<br>Alternative Drives for Clients with Increased Muscle Tone<br>Stealth Products<br>NuFair<br>Spokane, WA |
| April 2015 | Alternative Drives<br>Stealth Products<br>Waco, TX   |
| March 2015 | Power Wheelchair Assessment and Access<br>Numotion   |

Cape Girardeau, MO

March 2015      Power Wheelchair Assessment and Access  
Numotion  
St. Louis, MO

Feb 2015      Power Mobility: Alternative Drive Controls  
Controlling Speech Generating Devices through a Power Wheelchair  
International Seating Symposium  
Nashville, TN

Feb 2015      Positioning the Head  
Alternative Drive Controls for Clients with Increased Muscle Tone  
Stealth Products/Travis Medical  
Round Rock, TX

Feb 2015      Switch Assessment  
United Cerebral Palsy  
Chicago, IL

Jan 2015      Positioning for Function  
Stealth Products  
NuFair  
Seattle, WA

Jan 2015      Positioning for Function  
Stealth Products  
NuFair  
Portland, OR

2014

Oct 2014      Advanced Seating and Mobility  
RESNA  
Atlanta, GA

Oct 2014      Fundamentals in Assistive Technology  
RESNA  
Phoenix, AZ

Sept 2014      Fundamentals in Assistive Technology  
RESNA  
Boston, MA

Aug 2014      Alternative Drive Controls  
Stealth  
Branson, MO

July 2014      Beyond the Basics

Numotion  
Atlanta, GA

June 2014      Power Wheelchair Assessment Instructional Course  
Switch Assessment workshop  
RESNA  
Indianapolis, IN

May 2014      Fundamentals in Assistive Technology  
RESNA  
Newark, NJ

April 2014      Switch Assessment and EADLs  
Owensboro and Eddyville, KY

April 2014      Advanced Seating and Mobility  
RESNA  
Orlando, FL

March 2014      Pediatric Seating and Mobility  
Ft. Mitchell, KY

March 2014      Positioning for Function  
Stealth Products  
Portland, OR

March 2014      Alternative Access Methods  
Numotion/Stealth Products  
Phoenix, AZ

Jan 2014      Keynote at Annual Meeting  
Rehab Medical  
Indianapolis, IN

2013

Nov 2013      Restraints vs. Secondary Supports  
Bodypoint  
Seattle, WA and Portland, OR

Oct 2013      Advanced Seating and Mobility 2 day course  
RESNA  
Atlanta, GA

Oct 2013      Pediatric Power Mobility  
Cook Children's Hospital  
Ft. Worth, TX

Oct 2013      Positioning for Function

|            |   |

| Aug 2012    | Positioning for Function<br>Rehab Rally<br>Chicago, IL   |
| Aug 2012    | Power Wheelchairs: Advanced Applications<br>ATG Rehab<br>Bethany, OK   |
| August 2012 | Switch Assessment, Electronic Aids to Daily Living and AAC Mounting<br>Dallas, TX  |
| July 2012   | Positioning for Function<br>Stealth<br>Lafayette, CO   |
| June 2012   | Switch Assessment for Type and Location and Switch Mounting<br>Using Power Wheelchairs to Access the Computer and Speech Generating<br>Devices<br>Texas AT Network Statewide Conference<br>Houston, TX |
| June 2012   | Fundamentals in Assistive Technology Course  |

- Power Wheelchair Assessment Instructional Course  
A New Position Paper: Application of Wheelchairs, Seating Systems and  
Secondary Support for Positioning vs. Restraints workshop  
Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking  
Technology in Switch Driving workshop  
RESNA  
Baltimore, MD
- May 2012      Pediatric Power Mobility  
ATG Rehab  
Hartford, CT
- May 2012      Power Wheelchairs: Advanced Applications  
ATG Rehab  
Boston, MA
- April 2012      Electronics Aids to Daily Living with Young Children and in the Classroom  
HomeCEUConnection.com
- 2011
- Oct 2011      Pediatric Power Mobility  
ATG Rehab  
Santa Clara, San Mateo, Salinas, CA
- Oct 2011      Power Wheelchair Assessment  
Switch Assessment  
EADLs (2 day course)  
Center for Discovery  
Harris, NY
- Sept 2011      Access to Mobility and Assistive Technology in the Classroom Setting: Practical  
Applications  
AbleNet  
Austin, TX
- July 2011      Enhancing Functional Outcomes through Seating and Positioning  
Rehab Rally Conference and Expo  
Orlando, FL
- April 2011      Pediatric Power Mobility  
Navigating the Care of the Medically Fragile Child  
Boston, MA
- April 2011      Alternative Access Methods for Power Wheelchairs  
MedGroup  
Las Vegas, NV
- March 2011      Power Mobility Assessment

ATG Rehab  
Philadelphia, PA

March 2011      Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
King of Prussia, PA

March 2011      Power Wheelchair Assessment  
International Seating Symposium  
Nashville, TN

Feb 2011        Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Dallas and Houston, Texas

2010

Nov 2010        RESNA Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GA

Nov 2010        Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Ft Lauderdale, Gainesville and Tallahassee, FL

Sept 2010       Seating for Function  
ATG Rehab  
Colorado Springs, CO

August 2010     Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Tampa, FL

June 2010       This Isn't Your Grandma's Power Chair  
ATG Rehab  
Denver, CO

May 2010        Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Orlando, FL

April 2010       Pediatric Power Mobility  
ATG Rehab  
Loveland, CO

|             |   |

| May 2009    | New power wheelchair electronics<br>Canadian Seating and Mobility Conference<br>Toronto, Canada   |
| May 2009    | Seating<br>Mobility<br>New Mexico Annual Technology conference  |

Santa Fe, NM

- April 2009      Ablenet  
Assistive Technology in the Classroom  
LA County School District  
Los Angeles, CA
- March 2009      New Power Wheelchair Electronics  
International Seating Symposium  
Orlando, FL
- Feb 2009        New power wheelchair electronics: clinical applications  
United Seating and Mobility  
Annual Sales Meeting  
Tucson, AZ
- 2008
- Dec 2008        Power wheelchair electronics  
Internal Staff Training  
Quantum Rehab  
PA
- Nov 2008        Pediatric Wheelchair Seating (full day course)  
Mayo Clinic  
Rochester, MN
- Oct 2008        Location, Location, Location! Determining the Best Switch Location and Type for  
Access to Assistive Technology  
Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse  
Closing the Gap  
Minneapolis, MN
- Oct 2008        Electronic Aids to Daily Living  
Occupational Therapy Association of Colorado  
Northglenn, CO
- June 2008        New Power Wheelchair Electronics  
Pediatric Powered Mobility Position Paper  
RESNA  
Washington, DC
- June 2008        AT Applications for Challenging Individuals  
Collaborative Assistive Technology Conference of the Rockies  
Denver, CO
- April 2008        Access to Mobility and Assistive Technology in the Classroom Setting: practical  
applications  
(with Ginny Paleg) (4 days)

- Ablenet/Otto Bock  
New York, NY
- April 2008      Introduction to Assistive Technology  
Lecture  
Occupational Therapy Department, Colorado State University  
Ft. Collins, CO
- March 2008      Interfacing  
Abilities Expo  
Edison, NJ
- Feb 2008      Switch Assessment  
Colorado Department of Education Motor Conference  
Denver, CO
- Jan 2008      Pediatric Power Mobility  
Assistive Technology Group  
El Monte, Riverside, Santa Ana, Ventura, CA
- 2007
- Nov 2007      Pediatric Power Mobility  
Assistive Technology Group  
Lakewood, CO
- Oct 2007      Pediatric Power Mobility  
Assistive Technology Group  
Hartford, Westport, CT  
Worcester, Raynham, MA
- Sept 2007      Pediatric Power Mobility  
Assistive Technology Group  
Sacramento, Stockton, Palo Alto, Salinas, CA
- July 2007      Pediatric Power Mobility  
Omaha, NE
- June 2007      A Comprehensive Approach to Assistive Technology for Persons with ALS  
Auditory - Visual Scanning: What Is It? How Do We Teach It?  
Collaborative Assistive Technology Conference of the Rockies  
Denver, CO
- May 2007      Review Course for ATS/ATP Credential  
University of Pittsburgh  
Alexandria, LA
- April 2007      Fundamentals in Assistive Technology Course (4 days)  
RESNA

Singapore

March 2007

Pediatric Seating and Positioning  
New power wheelchair electronics  
RESNA Position Papers  
International Seating Symposium  
Orlando, FL

Feb 2007

Review Course for ATS/ATP Credential  
University of Pittsburgh  
Denver, CO

2006

Oct 2006

Switch Assessment: Determining Type and Location  
Wheelchair Mounting Systems for Communication Devices and Computers  
Canadian Seating and Mobility Conference  
Toronto, Canada

Oct 2006

Complex Client: Power Mobility Needs  
Sunrise Medical  
Denver, CO

Sept 2006

Switch Assessment  
EADLs  
Johnston, IA

Aug 2006

Complex Client: Power Mobility Needs  
Sunrise Medical  
Pittsburgh, PA

June 2006

Switch Assessment  
RESNA Annual Conference  
Atlanta, GE

June 2006

Switch Apprentice: Power Mobility and EADLs  
The Collaborative Assistive Technology Conference of the Rockies  
Denver, CO

April 2006

Advanced Applications in Power Mobility  
National Seating and Mobility Seating Symposium  
Scottsdale, AZ

March 2006

Power Mobility: Connecting Clinical Needs to Assistive Technology  
What's New in Power?  
Sunrise Medical  
Houston, TX

March 2006

Increasing Independence across the Ages

CSUN  
Los Angeles, CA

2005

August 2005

Advanced Clinical Education for the RTS  
NRRTS 2005 Educational Conference  
St. Louis, MO

April 2005

Interfacing Assistive Technology with Power Wheelchairs  
New Mexico Technology Assistance Program  
Annual Conference  
Albuquerque, NM

March 2005

Electronic Aids to Daily Living: providing independent control of devices in the  
environment  
CSUN annual conference  
Northridge, CA

Jan 2005

Power Wheelchair Access Evaluation and Programming  
Interfacing Assistive Technology and Power Wheelchairs  
International Seating Symposium  
Orlando, FL

2004

Nov 2004

Wheelchair Evaluation Training  
New Mexico Technology Assistance Program  
Las Cruces, NM

Oct 2004

Wheelchair Evaluation Training  
New Mexico Technology Assistance Program  
Albuquerque, NM

June 2004

Assistive Technology and Motor Access  
Positioning, Mobility and Computer Access  
The Collaborative Assistive Technology Conference of the Rockies  
Denver, CO

June 2004

Interfacing Assistive Technology with Power Wheelchairs  
RESNA annual conference  
Orlando, FL

March 2004

Electronic Aids for Daily Living  
Technological Life Resources: More than Machinery  
Grand Rapids, MI

2003

Oct 2003

Basic EADLs  
Closing the Gap

Minneapolis, MN

- Oct 2003                    Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GE
- June 2003                    24 Hour Postural Management: Positioning in Sleep  
Fundamentals of the Medical Model: Applications of Assistive Technology for  
Different Diagnoses  
Annual SWAAAC Conference  
Winter Park, CO
- June 2003                    Electronic Aids to Daily Living: What's in a Name?  
RESNA  
Atlanta, GE

2002

- Nov 2002                    Power Mobility access  
Achieving New Heights with Assistive Technology  
Aurora, CO
- Oct 2002                    Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GE
- Oct 2002                    Switch Access & Assessment  
Closing the Gap  
Minneapolis, MN
- Sept 2002                    Switch Access & Mobility Assessment  
Wichita, KS
- Aug 2002                    Electronic Aids to Daily Living  
Switch Access & Assessment  
Pediatric Assistive Technology & Rehab Symposium  
Richmond, VA
- June 2002                    Switch Access and Assessment  
The Interfacing of AT and Power Wheelchairs: Exploring Advances in Electronics  
RESNA annual conference  
Minneapolis, MN
- June 2002                    Switch Access and Assessment  
Interfacing Power Wheelchairs and Assistive Technology Devices  
SWAAAC annual conference  
Winter Park, CO

2001

- Oct 2001            Electronic Aids to Daily Living  
Achieving New Heights with Assistive Technology  
Aurora, CO
- Oct 2001            Assistive Technology Training  
Switches and Assessment  
Augmentative Communication Devices: Access  
Interfacing Assistive Technology with Power Wheelchairs  
New York Board of Education  
Brooklyn, NY
- Sept 2001           Switches: Assessment for Type and Location  
Seating People with Acquired Brain Injuries  
Canadian Seating and Mobility Conference  
Toronto, Ontario
- Sept 2001           Training Pre-Mobility and Mobility Skills for Kids in Power Wheelchairs  
Interfacing Assistive Technology Devices with Power Wheelchairs  
Switch Access Assessment for Type and Placement of the Switch  
Heartland Conference  
Waterloo, IA
- June 2001           Interfacing Assistive Technology with Power Wheelchairs  
Pre-conference session  
RESNA  
Reno, NV
- June 2001           Positioning: the basis for accessing assistive technology  
SWAAAC annual conference  
Breckenridge, CO
- April 2001           RESNA Fundamentals in Assistive Technology Course  
Boise, ID
- April 2001           Positioning, Mobility Access and Interfacing  
Power Up!  
Columbia, MO
- March 2001           Electronic Aids to Daily Living Keynote address  
Switches and Assessment  
Grand Junction, CO
- 2000
- Nov 2000           Tone and Technology  
Building Bridges with Assistive Technology  
Aurora, CO
- Oct 2000           Wheelchair Positioning

Power Wheelchair Access Methods  
Power Wheelchair Interfacing  
2 day course  
Missoula, MT

Sept 2000      Advanced Mobility  
Advanced Interfacing  
2 day course  
The Heartland Conference  
Topeka, KS

June 2000      Switch Assessment: Type and Location  
2000 SWAAAC Conference  
Breckenridge, CO

April 2000      New Solutions in Seating and Mobility  
Updates on Cerebral Palsy Treatment  
Denver, CO

April 2000      Electronic Aids to Daily Living: an Overview  
Seating Strategies  
American Occupational Therapy Association Annual Conference  
Seattle, WA

1999

Nov 1999      Wheelchair Mounting Systems for Communication Devices  
Mission Possible: Building Bridges with Assistive Technology  
Denver, CO

Nov 1999      Positioning and Mobility: an Overview  
AOTA SIS Practice Conference  
Reno, NV

Oct1999      Positioning, Mobility and Interfacing Assistive Technology  
Preconference workshop  
Closing the Gap  
Minneapolis, MN

Oct 1999      An Overview: Electronic Aids to Daily Living  
Electronic Aids to Daily Living for Children  
ATIA World Conference  
Orlando, FL

Sept1999      RESNA Fundamentals in Assistive Technology Course  
Toronto, Ontario, Canada

June 1999      Electronic Aids to Daily Living Lab  
RESNA

Long Beach, CA

- May 1999            Assistive Technology Course  
                         Grafton, ND
- April 1999            Electronic Aids to Daily Living Lab  
                         Assistive Technology Lab  
                         American Occupational Therapy Association annual conference  
                         Indianapolis, IN
- April 1999            RESNA Fundamentals in Assistive Technology Course  
                         Banff, Alberta Canada
- March 1999            The Baclofen Pump and Positioning  
                         Botox Injection: A Case Study  
                         Interfacing Assistive Technology with Power Wheelchairs  
                         International Seating Symposium  
                         Orlando, FL
- 1998
- Oct 1998            Principles of Wheelchair Seating  
                         University of Iowa  
                         Iowa City, IO
- Sept 1998            Introduction to Electronic Aids to Daily Living  
                         Interfacing with Power Wheelchairs  
                         Canadian Seating and Mobility Conference  
                         Toronto, Ontario
- June 1998            Environmental Control Lab  
                         RESNA  
                         Minneapolis, MN
- May 1998            Interfacing Assistive Technology to Power Wheelchairs  
                         Mounting Switches and Communication Devices to Wheelchairs  
                         Colorado Assistive Technology Project annual conference  
                         Denver, CO
- April 1998            Another Way to Do It...Environmental Control Units  
                         The Interagency Project for Assistive Technology  
                         Fargo, ND
- 1997
- Nov 1997            Introduction to Assistive Technology for Children with Special Needs  
                         Teleconference for the Health Care Program for Children with Special Needs  
                         Denver, CO
- Oct1997            Environmental Controls: Comprehensive Review of Available Systems

- Full-day instructional course  
Elkgrove, IL
- Aug 1997      Environmental Controls: Comprehensive Review of Available Systems  
Environmental Controls for Children  
Keys to Independence...Assistive Technology for All Generations Conference  
Jamestown, ND
- June 1997      Seating the Challenging Client  
Powered Mobility Access Methods  
RESNA  
Pittsburgh, PA
- May 1997      The Assistive Technology Assessment Process: Who, What, Where, Why and How  
An Introduction to Power Mobility  
An Introduction to Positioning  
Environmental Controls for Children  
Access Options for Quadriplegia  
Mission Possible! Colorado Assistive Technology Project  
Denver, CO
- 1995
- Oct 1995      Intervening Early with Assistive Technology: Practical solutions to foster  
functional abilities  
Environmental Controls: Sorting Through Those Devices  
Closing the Gap  
Minneapolis, MN
- Sept1995      Environmental Control Units and Occupational Therapy  
Occupational Therapy Association of Colorado annual conference  
Denver, CO
- July 1995      Assessment in Augmentative and Alternative Communication  
Class at the University of Colorado.  
Boulder, CO
- April 1995      The IntelliKeys Alternative Computer Keyboard and Software  
Environmental Control Systems  
Assistive Technology Lab  
The American Occupational Therapy Association  
Denver, CO
- 1994
- Sept1994      Early Identification of Assistive Technology Needs  
Current Trends in Assessment.  
Colorado Speech and Hearing Association state conference.  
Denver, CO

- July 1994                      Access to Technology  
Assessment in Augmentative and Alternative Communication  
Guest lecture  
Boulder, CO
- 1992  
June 1992                      Assistive Technology Clinics  
RESNA annual conference  
Toronto, Canada
- 1991  
Sept 1991                      The Basics of Positioning and Mobility  
Annual Colorado Assistive Technology Project Conference  
Denver, CO
- March 1991                      Promoting Choice in the Selection of Assistive Technology Devices  
California State University at Northridge annual conference  
Northridge, CA
- 1990  
May 1990                      Toys and Computers: Enhancing Children's Play  
ABC Conference/Early Childhood Collaborative Conference  
Westminster, CO
- April 1990                      Available Environmental Control Systems and Choosing the Right One  
Unlocking the Environment through Assistive Technology  
Annual Assistive Technology Conference  
Northglenn, CO
- 1989  
Jan 1989                      Guest lecture for University of Southern California Occupational Therapist  
graduate class  
Overview of rehabilitation technology  
Los Angeles, CA
- 1988  
Nov 1988                      Computer Access for Orthopedically Disabled Persons - an overview of adaptive  
hardware  
Occupational Therapy Association of California's annual conference  
Irvine, CA
- Nov 1988                      Computer Access Evaluation for Orthopedically Disabled Persons  
Computer Technology/Special Education /Rehabilitation Conference  
Northridge, CA
- Sept 1988                      Environmental Control Units - Evaluation and overview of available systems  
California Children Services  
El Monte, CA

- Sept 1988                      Funding of Technology for Individuals  
Computer Access Center  
Santa Monica, CA
- July 1988                      Toys and adaptations: what's available  
Technology for Tots/Junior Foundation for the Blind  
Los Angeles, CA
- 1987
- Dec 1987                      Microcomputer Access Evaluation  
California Children Services  
Sierra Madre, CA
- March 1987                    Adaptive Microcomputer Access  
Byron E. Thompson Orthopedically Handicapped School  
El Monte, CA

**Webinars:**

---

2018

- December 2018              How does Cortical Visual Impairment impact access?  
AbleNet
- December 2018              The Importance of Early Mobility  
OccupationalTherapy.com
- November 2018              How do I develop scanning skills?  
AbleNet
- November 2018              Providing Alternative Positioning in Preschool  
Early Childhood Education
- October 2018                Positioning the Lower Extremities  
Numotion / Stealth Products
- October 2018                Positioning the Trunk  
Numotion / Stealth Products
- October 2018                How do I develop switch skills?  
AbleNet
- October 2018                Providing Independent Play and Participation for Young Children with Physical  
Impairments  
Early Childhood Education
- September 2018            Augmented Power Mobility - bringing mobility to our youngest children  
Early Childhood Education
