

## Construction Wireman / Construction Electrician Class Costs

Construction Wireman and Construction Electrician classes will now be offered online. CWs and CEs who sign up will receive instruction in accessing classes when they pick up books and other course related learning materials. No materials will be distributed prior to the class being paid in full. The Training Center accept debit/credit cards by phone or in person.

Course work may be completed at your own pace, but each course is only accessible for one year after purchase. If the course is not complete at the end of a year, it will need to be purchased again.
