

CJP News

NOVEMBER 2015

Wow, what a busy few months!

We have thoroughly enjoyed our Autumn activities, with our usual fortnightly trips to the cinema to see some amazing films including the Minions which is a firm favourite of Carol's!

Don't forget if your child does have a **CEA card** we can use this at the cinema club to allow their support worker into the film free of charge, thus saving us the price of a ticket which we can then put back into the scheme for future activities

We have visited some amazing places again this programme including the Golf Driving Range which was suggested by Chris as a day out. We still have lots more to look forward to including The Nene Valley Railway which also means a visit to Santa, a trip to animal experience and the eagerly awaited return visit to Tesco for Christmas cookery.

THANK YOU: The activity clubs would not be possible without the generosity of the Arts Theatre Picturehouse, Nene Valley Railway, Animal Experience, Golf Driving Range, Tesco Newmarket Road and Granta School—can't wait to come back next year!

Cambridge Evening News Community Awards

As you will be aware we were the proud winners of the **Community Group of the Year 2015** which we were presented with at a lavish awards ceremony on 30 September 2015. With the lovely certificate we also received a cheque for £500 which we have put towards running another summer scheme in 2016 so watch this space for details!

We were also delighted for **Carol** who won the **Carer of the Year Award** for the exceptional work she does at the Playscheme.

I'd like to express my heartfelt thanks to the amazing Mel Stanford for all the support she has given to CJP (and especially me) over the past few months. The incredible CJP website would not have been possible without her. **THANKS MEL YOU ARE A STAR!!!!**

Huge thanks also to our amazing staff team and best wishes to those that have gone off to University/College or pastures new!

Printer Cartridges

We have come across a really easy way to raise funds for the Playscheme through recycling used ink cartridges.

We are working with a company called 'Empties Please'. They recycle used ink and toner cartridges the environmentally friendly way and will donate the money raised back to us!

It's very simple. All we have to do is collect used ink and toner cartridges and put them in the enclosed envelope. When our bin is full we send it back to 'Empties Please' They process our recycle bin and donate the money raised straight back to us. We will also receive a certificate to display with a rolling total of how well we are doing.

They will pay us 75p for each original branded manufacturer ink cartridge* 25p for a remanufactured ink cartridge* and 50p per original manufacturer laser toner cartridge.

You can collect ink cartridges from absolutely anywhere; school, work, home, clubs, etc so please ask your friends and family to collect too. Hand them over to Carol on a Saturday or drop them into the office in Stapleford.

Committee Members

In order for CJP to keep going we need more Committee Members to join us and help with events such as fundraisers. Meetings are held 5 times a year on a Thursday lunchtime. The first meeting will be held on Thursday 26 November 12-2pm. If you feel you can help out please let one of the team know.
