

Dear Flavor Big Band!

Lauren and Anthony had the wedding to remember for a life time! You are responsible for the success of the evening! Throughout all of the obstacles and multiple changes, not one of you said no! You were diligent from setup, event time and tear down! Your expertise, talent and professionalism is a hallmark of a great pro! Everyone worked as a team with only one objective, make this wedding "Fabulous" for Lauren and Anthony and their guests! And you all exceeded their expectations.

Kathy! you and Flavor Big band flexibility your drive for success was apparent though the setup and reception. Kathy what can I say you were wonderful! Please tell the band for me, their great sound and vocals kept everyone on the dance floor dancing all night! This will separate you from most bands. This is why Flavors Big Band is legendary!

I had the opportunity to witness first hand the many wonderful comments the wedding party, and guests express! Non of this could have been possible with out all of you! For, this I thank you all again!

May you all have great blessings throughout your life!

You are seriously one of the most talented bands I have heard yet!! I can't wait for the next one with y'all. Everyone had a blast. I will make sure to send the video & pictures your way!

Dear Flavor,  
The Bickerstaff family can't thank you enough for your fabulous music and enthusiasm that set the joyful tone for celebrating Jennifer and Ross' wedding at the Atlanta Botanical Garden last Saturday evening. I heard so many compliments about Flavor from our guests. I am still smiling over the "surprise" Paul Simon song and dance that y'all, Jennifer and Ross did. I enjoyed the piano during the cocktail hour. I appreciated all the communications throughout the last several months as we planned for the BIG DAY.

If in the future I can give a reference to a potential client, I would be happy to do so.

Thank you all for such a memorable reception. Please let me know if I can provide a written recommendation for your website, I will most certainly be recommending you to friends who are getting married in the future.
