

After the love has gone

156

For a while, to love was all we could do
we were young and we knew In our eyes, were alive
deep inside we knew, our love was true

For a while, we paid no mind to the past
we knew love would last every night, something right
would invite us to begin the day

Something happened along the way,
what used to be happy was sad
Something happened along the way,
and yesterday was all we had

And, oh, after the love has gone
how could you lead me on, and not let me stay around?

Oh, oh, oh, after the love has gone
What used to be right is wrong,
can love that's lost be found?

For a while, to love each other with all
we would ever need love was strong for so long
never knew that what was Wrong, oh, baby,

After the love has gone

156

Wasn't right we tried to find what we had
till sadness was all we shared, we were scared

This affair would lead our love into

Something happened along the way,

Yesterday was all we had

something happened along the way

what used to be happy is sad

Something happened along the way

yesterday was all we had

And, oh, after the love has gone

how could you lead me on, and not let me stay around?

Oh, oh, oh, after the love has gone,

what used to be right is wrong,

can love that's lost be found?

Oh, oh, oh, oh, oh, oh, after the love has gone

what used to be right is wrong,

can love that's lost be found?

Oh, oh, oh, after the love has gone,

what used to be right is wrong

can love that's lost be found?
