

# Roses and rainbows 202

If I were a king, I'd give up everything  
Just to have you near me 'cause  
Roses and rainbows are you

The sky is always blue, whenever I'm with you  
I think I just love you 'cause  
Roses and rainbows are you

**I love the way you hold my hand**  
**The way you understand**  
**The way you make me feel, like I'm your man**

**Way up in the sky, I think I see why**  
**The birds do all their singing 'cause**  
**Roses and rainbows are you**  
**Roses and rainbows are you**

- Interlude / **Chorus** -

Roses and rainbows are you  
Whoohoo whoohoo... Whoohoo whoohoo...
