

## REACH THE WORLD. PLANT A CHURCH.

—This October is —  
*National Church  
Planting Month*

Dear Church Member,

We are so honored that God has led your church to partner with us in church planting! The hope of America does not rest with politicians, religion, philosophers, or man-made organizations—but with Bible-believing churches. Churches that will preach Christ and boldly spread the gospel to people who do not know the Living God!

At Church Planting America we are committed to helping men launch new Baptist churches in needy communities throughout the United States. Currently we are working with church planters in some 12 states. Your sacrificial gifts and fervent prayers will enable us to continue and strengthen this ministry. With your help we will be positioned to assist other godly men respond to God's call to plant a church.

Each year thousands of churches close their doors here in America. We must respond to this crisis by birthing new churches—churches which will stand firm on God's Word and be a beacon of hope in a dark world.

Our goal is to "Impact America...one church at a time." Thank you for being a caring partner! Please join us in prayer for a successful National Church Planting Month.

In Him,

Charles T. Shoemaker  
President
