WALK-INS:

CORRESPONDENCE:

None

MINUTES:

No minutes could be voted on because of no quorum, Jim was not on the board for those meetings.

ELECTION OF OFFICERS:

Tabled until next meeting.

OLD BUSINESS:

Dottie stated that Natalie (town attorney Natalie Burns) had said that both Dottie and Laura will be able to sign the four pending sets of minutes that have not previously been approved and Joanne will do the findings of facts for both Mary Vermette Graham and Shawn Girard. Natalie also said that both of these conditional uses have been approved by the board, they are a done deal, they do not need their findings of facts to move forward with their projects.

Dottie then discussed the workshop items and she keeps on adding items that come up, many meetings have been short enough in the past that they have ended the meeting and then gone into a workshop, no minutes have to be taken by the secretary at workshops.

The board discussed briefly some pending workshops.

Jim stated that he would like to see an ordinance for tiny houses, he is in favor of them and it would be nice to have an ordinance welcoming tiny houses to the town.

There was a very brief discussion concerning the water situation and Jim gave a brief overview of a meeting he attended the past week.

Dottie said it was nice for the board to get updates with Jim on the water and sewer districts.

Dottie asked if there was any more discussion and hearing none there was a motion to adjourn.

ADJOURNMENT:

Laura motioned and Jim seconded the motion to adjourn the meeting at 26.19 on the CD.

Dottie announced the next meeting will be June 17, 2020.

Respectfully submitted:

Planning Board Secretary
