

That's the way of the world

240

Hearts of fire, creates love desire
Take you high and higher, to the world, you belong
Hearts of fire creates love desire
High and higher, to your place on the throne

We've come together on this special day
To sing our message loud and clear, mmm
Looking back we've touched on sorrowful days,
Well, Future pass, they disappear

You will find, peace of mind
If you look way down, in your heart and soul
Don't hesitate, 'cause the world seems cold
Stay young at heart, 'cause you're never
(never, never,..) old at heart

That's the way, of the world,
Plant your flower and you grow a pearl,
A child is born, with a heart of gold
The way of the world, makes his heart grow cold

----- instrumental interlude -----

That's the way of the world

240

Hearts of fire, creates love desire
Take you high and higher, to the world, you belong

Hearts of fire, love desire, high and higher,
You, you, you, Hearts of fire, love desire, Ah higher

We've come together on this special day
To sing our message loud and clear, mmm
Looking back we've touched on sorrowful days,
Well, Future pass, they disappear

You will find, peace of mind
If you look way down, in your heart and soul
Don't hesitate, 'cause the world seems cold
Stay young at heart, 'cause you're never
(never, never,..) old at heart

That's the way, of the world,
Plant your flower and you grow a pearl,
A child is born, with a heart of gold
The way of the world, makes his heart grow cold

Hearts of fire, love desire, high and higher,
You, you, you, Hearts of fire, love desire
