Your Pastor's Thoughts

Spring is here! While some days feel like summer that is just because we live in Florida, but it is actually spring. Along with spring comes new life and growth. I am amazed at how fast the Rain tree in our front yard goes from being bare to being full of green leaves. The weeds shoot up in the yard as well as flowers all around. The birds are singing and building nests that will soon be full of new life. This same time of year we celebrate the resurrection of Jesus Christ our Savior. His life has given us life. We have been brought from death to life and that is a greater miracle than new leaves on a tree. Along with the new spiritual life that we have been given we are expected to grow in our faith, our righteousness, and our relationship with God. As you look around and see all of the new growth, think about what ways you can be growing spiritually at this time in your life. I hope that you see wonderful growth in your life this spring and that you bear much fruit for the kingdom of God.

1Peter 2:2 Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation.

In Christ, Pastor Pete

PUTNAM COUNTY MEDICAL MISSION

The Putnam County Medical Mission in our church meets the needs of people without insurance. The clinic now has two locations and is open the first and third Thursday of the month from 5:00 to 8:00 pm in our building and Fridays at 408 Summit St in Crescent City. Our Pastor currently serves on the Board of Directors and many of our members serve as volunteers, nurses and prayer warriors. This program truly reaches the needs of people in our community.

There are still lots of ways for you to participate. Prayer Team: Add PCMM to your daily prayer list. Phone Support: Answer the clinic calls remotely, provide basic information and send messages as needed. Receptionist: Greet patients. Eligibility Specialist: Become certified by the Health Department to complete eligibility paperwork. Office Support: Assist with patient data entry into the electronic medical record; assist with patient sign out procedures, other office needs. Medical Assistant / Nurse: Provide patient care triage and assist Provider as needed. Staff arrives at 3pm for set up. Come by, check it out and join in the mission. You may contact Mary Ann Cox at 386-269-9786 or check out the webpage at www.putnamcountymedicalmission.org. Please remember to pray for this mission and the lives it touches.

Soccer Plan

We have two teams in each age/grade range - 4&5 year olds, 1st & 2nd graders and 3rd & 4th graders. Our teams have been practicing for a month, our first game Saturday 4/7 and each Saturday through 5/26 starting at 9:00 am. All three age groups will play at the same time on three different fields. This means lots of guests on the property. So, we still need church members to greet our guests and cheer our teams and support our coaches at each game, if you are available please come.

Operation Christmas Child Shoeboxes

We are still doing Operation Christmas Child Shoeboxes this year. We collect items all year long for children ages 2-14. Items need to fit into a shoebox and just about anything goes -except candy; toothpaste; gum; used or damaged items; war-related items such as toy guns, knives, or military figures; chocolate or food; seeds; fruit rolls or other fruit snacks; drink mixes (powdered or liquid); liquids or lotions; medications or vitamins; breakable items such as snow globes or glass containers; aerosol cans. That may seem like a lot of no's but we are able to send toys, clothes, school supplies, sunglasses, shoes, brushes, hair bows, balls, crayons, markers, hats, etc. So find items while they are on sale or seasonal and bring in anytime. Get creative and have some fun! P.S. We are collecting small plastic containers for craft kits.
