Dear College Park Baptist Church Family,

Thank You From Your Pastor

It is hard to believe that this month marks 5 years of being pastor at College Park Baptist Church! It has been a joy and privilege to serve alongside of you. I would like to thank you for all that you do as a church body. Thank you for the love that you have shown us as a family! Thank you for those of you who serve in many different capacities. Thank you for those of you who love and serve many people behind the scenes without others even knowing it. I am looking forward to seeing what God has in store for our future at College Park Baptist Church and I know that if we serve Him faithfully it will be beyond what we can imagine!

What's Next For Us During Social Distancing

It is my hope that during this unique and yet challenging time God is doing work in your life. As a pastor, it was sad to see Upward Soccer canceled when I knew we would have so many gospel opportunities. Yet God is faithful and through our Drive-In services and Facebook Live we have had the opportunity to reach many more people on Sunday mornings than we have during the past. What is it that God is teaching you during this time?

One of the big questions is, "What's next for us as a church?" Just as the country will open in different phases and our state will open in different phases, our church will transition in different phases as well. Here is what you can expect when we enter the next phase.

- We will continue Facebook live for those who should not be out in a public setting
- We will begin to gather for our Sunday morning service inside the building
- We will practice social distancing
 - Seats will be marked to keep us 6 ft. apart
 - We will not pass out bulletins or pass an offering plate
 - Doors will be propped open when entering and exiting
 - We will not have a greeting time
- We will keep everyone in the sanctuary for the entire service
 - There will not be child care during this phase
- We will be diligent on sanitation
 - We will be sanitizing surfaces before and after services
 - We will have hand sanitizer readily available

We hope that we will enter this phase soon but we will continue to follow the guidelines and recommendations of government authorities while also evaluating the situation in our county to make sure that it is safe for us to gather inside together again. I pray that during this time of separation God grants you grace to trust Him and peace for each day. We will keep you updated as time goes on.

Thank You, Pastor Pete
