

**APPENDIX B: PRESENTATIONS**

---

Presented by the following sections: In-Person Courses, Webinars and Podcast education in reverse chronological order.

778 presentations:

427 In-Person Courses, including International, National, and local courses

351 webinars, podcasts

**In-Person Courses:**

---

2024

Nov 2024	Speech Generating Devices: Access, Vision, and Mounting Wisconsin Children's Hospital Milwaukee, WI
Oct 2024	Positioning the Pelvis Positioning the Head Secondary Supports Mobility and Positioning Conference Albuquerque, NM
Oct 2024	Early Interventions: seating and mobility Assistive Technology for Kansans Lawrence, KS Wichita, KS
Oct 2024	Positioning the Pelvis Positioning the Trunk Positioning the Head Alpine Rehab Salt Lake City, UT
Sept 2024	The Mat Assessment Positioning the Pelvis Positioning the Trunk Positioning the Extremities Positioning the Head Positioning: a series of case studies MedBridge Kirkland, WA
Sept 2024	Maintaining Posture by Providing Movement Canadian Seating & Mobility Conference Toronto, ON
April 2024	How do I know the student is positioned appropriately? How do I know the student is ready for power mobility? Switch Assessment AT-TIES

Salem, OR

March 2024  
Secondary Supports: it's all in the angles  
International Seating Symposium  
Virtual

2023

Nov 2023  
Tone and Tone Management  
Dynamic Seating for Wheelchairs  
New Mexico Department of Health  
Albuquerque, NM

October 2023  
Power Mobility: Alternative Driving Methods (4 hour with Wade Lucas)  
Power Mobility: programming to optimize driving (4 hour with Wade Lucas)  
Muscle Tone, Tone, Management and Dynamic Seating Intervention  
Alpine Rehab Conference  
Salt Lake City, UT

September 2023  
Dynamic Seating: providing movement for clinical benefit  
Canadian Seating and Mobility Conference  
Toronto, BC

June 2023  
AAC Positioning and Access  
CATE  
Denver, CO (Virtual)

May 2023  
Pediatric Seating  
The Importance of Early Mobility and Mobility Training  
Assessment and Driving Methods  
Colibri (Virtual)

April 2023  
Pre-conference: Programmable Power Wheelchair Driving Methods - a new generation of options  
Pre-conference: Sensors on Wheelchairs - improving efficiency and safety in mobility  
Building Consensus in Seating and Wheeled Mobility Evaluations  
International Seating Symposium  
Pittsburgh, PA

2022

October 2022  
Positioning Kids  
Bringing New Technology to Power Wheelchair Assessment and Training  
Canadian Seating and Mobility Conference  
Toronto, Canada

October 2022  
Positioning Kids  
Pediatric Power Mobility  
Secondary Supports

	Dynamic Seating Alpine Rehab Conference Salt Lake City, UT
August 2022	Positioning the Pelvis Positioning the Head Positioning Kids Columbus, OH
February 2022`	Smart Wheelchairs (with Jean Minkel) Dynamic Seating (with Missy Ball and Mary Shea) International Seating Symposium ( <b>virtual</b> )
<u>2021</u>	
Nov 2021	Positioning for Function ACTNow Action Seating / Stealth Products Tulsa, OK
Oct 2021	Dynamic Seating New Mexico Mobility and Positioning conference ( <b>virtual</b> ) New Mexico
Oct 2021	Head School Let's Get Real: using Virtual Reality for Power Wheelchair Assessment and Training (with Wade Lucas) Alpine Rehab Salt Lake City, UT
Sept 2021	Power Mobility: Alternative Driving Methods Alliance Rehab & Medical / Stealth Products Springfield, MO St. Louis, MO
Sept 2021	Power Mobility: Alternative Driving Methods Miller's Annual Conference Akron, OH
August 2021	Positioning and Access for SLPs The AAC Speech Clinic Las Vegas, NV
July 2021	Judging Smart (with Jean Minkel and Jered Dean) ( <b>virtual</b> ) RESNA
June 2021	Mobility: Dependent vs. Independent. What are the Clinical Indicators? Numotion Nufair ( <b>virtual</b> )

May 2021	Wheelchair Positioning ( <b>virtual</b> ) Local Inservice
March 2021	Course update recordings HomeCEUConnection
Feb 2021	Switched-On Students – <b>virtual</b> Infinitec
January 2021	Power Mobility series recordings MedBridge
<u>2020</u>	
Oct 2020	Slip Sliding Away: positioning the pelvis Supporting the Primary Support Surfaces – appropriate use of secondary supports Pediatric Power Mobility Assessment and Driving Training Tools Alpine Rehab Conference / Stealth Products <b>virtual due to COVID 19</b>
April 2020	Dynamic Seating How do I know a child is ready for power mobility? Switch Assessment TIES Conference Salem, OR <b>virtual due to COVID 19</b>
March 2020	A New RESNA Position Paper on Dynamic Seating International Seating Symposium Vancouver, BC
Feb 2020	Slip Sliding Away – Positioning the Pelvis Sit Up Straight – Positioning the Trunk Positioning Kids Travis Medical / Stealth Products Georgetown, TX
<u>2019</u>	
November 2019	Power Mobility: Alternative Driving Methods Stealth Products Columbia, MO
November 2019	Pediatric Power Mobility Alternative Driving Methods Clarkson University Potsdam, NY
November 2019	Dynamic Seating Action Seating and Mobility, Seating Dynamics

	Tulsa, OK
October 2019	Positioning Kids Heads Up! Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Dallas, TX
September 2019	Positioning Kids Heads Up! Beyond the Joystick Numotion, Stealth Products Chicago, IL
August 2019	Supporting the Primary Support Surfaces - appropriate use of secondary supports Custom Seating Reimagined! Numotion, Stealth Products Atlanta, GA
August 2019	Pediatric Power Mobility Fletcher Miller School, Stealth Products Lakewood, CO
April 2019	Using Virtual Reality to Reimagine the Assessment Process Canadian Seating and Mobility Conference Toronto, Ontario
April 2019	Heads Up! Strategies to Position the Head Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Toledo, OH
March 2019	Dynamic Seating - exploring theory, research, and products Pediatric Power Wheelchair Assessment and Training 3 Ways to Keep Your Client's Head Up! Using Virtual Reality to Reimagine the Assessment Process International Seating Symposium Pittsburgh, PA
February 2019	Wheelchair Seating and Secondary Supports Power Mobility: Alternative Driving Methods 3 Ways to Keep Your Client's Head Up Travis Medical, Stealth Products Georgetown, TX
<u>2018</u>	
December 2018	Positioning the Head

	National Seating and Mobility, Stealth Products Peoria, IL
November 2018	Early Intervention with AAC ASHA Boston, MA
November 2018	Positioning the Head Pediatric Power Mobility WI Schools, Stealth Products Wisconsin Dells, WI
October 2018	Pediatric Power Mobility Region 4, Stealth Products Houston, TX
September 2018	Positioning the Head Secondary Supports Pediatric Power Mobility Numotion, Stealth Products St. Louis, MO
August 2018	Positioning the Head Secondary Supports Power Wheelchair Alternative Driving Methods Travis Medical, Stealth Products Corpus Christ, TX Victoria, TX
July 2018	Positioning and Mobility for Complex Clients (pre-conference) Seating and Wheeled Mobility: a new resource RESNA Arlington, VA
June 2018	Positioning the Head Switch Assessment TX AT Network conference Houston, TX
May 2018	Secondary Supports Positioning the Head Wheelchair Backs Numotion, Stealth Products Philadelphia, PA
April 2018	Positioning for Function Positioning the Head Switch Assessment

	Pediatric Power Mobility TIES conference Eugene, OR
April 2018	EADLs and Switch Assessment Lifescape Sioux Falls, SD
March 2018	Dynamic Seating (pre-conference) Power Wheelchair Alternative Driving Methods (pre-conference) International Seating Symposium Vancouver, BC
February 2018	Dynamic Seating Travis Medical, Seating Dynamics Georgetown, TX
February 2018	Positioning the Head Dynamic Seating Wheelchairs and Speech Generating Devices National Seating and Mobility Oklahoma City, OK
<u>2017</u>	
Dec 2017	Positioning, Mobility, and Switch Access in the School Setting Harris Department of Education Houston, TX
Nov 2017	Dynamic Seating NuFair, Seating Dynamics Portland, OR Seattle, WA
Nov 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Mobility: Alternative Driving Methods Great American Mobility, Stealth Products Houston, TX
Oct 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Boston, MA
Sept 2017	3 Ways to Keep Your Client's Head Up

	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Numotion, Stealth Products Ft. Wayne, IN
Aug 2017	3 Ways to Keep Your Client's Head Up Power Wheelchair Driving Methods for Your Toughest Clients Alliance Rehab, Stealth Products Branson, MO
July 2017	Power Mobility: Alternative Driving Methods Stealth Products Nashville, TN
July 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? NuFair, Stealth Products Atlanta, GA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Riverside, CA
May 2017	Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Philadelphia, PA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Baltimore, MD
May 2017	Alternative Driving Methods: What's New? Canadian Seating and Mobility Conference Toronto, Canada
March 2017	Dynamic Seating NuFair, Seating Dynamics Salisbury, MD
March 2017	Positioning the Head Dynamic Seating (pre-conference session) International Seating Symposium Nashville, TN
Feb 2017	Power Mobility: Alternative Driving Methods Stealth Products Houston, TX

Feb 2017	Positioning for Function Numotion, Stealth Products Houston, TX
<u>2016</u>	
Dec 2016	Switch Assessment Infinitec Wichita, KS
Nov 2016	Pediatric Seating NuFair, Stealth Products Dallas, TX
Nov 2016	Positioning for Function TIRR, Stealth Products Houston, TX
Nov 2016	Pediatric Power Mobility Numotion, Stealth Products Seattle, WA Portland, OR
Sept 2016	Power Wheelchair Driving Methods for Clients with Increased Tone Pediatric Seating NuFair, Stealth Products Indianapolis, IN
Sept 2016	Pediatric Seating Pediatric Power Mobility Stealth Products Baltimore, MD
July 2016	Switch Assessment Green River Regional Educational Cooperative Bowling Green, KY
July 2016	Power Wheelchair Driving Methods Positioning the Head RESNA Arlington, VA
June 2016	Dynamic Seating Head Positioning Sleep Positioning Numotion Philadelphia, PA
June 2016	Positioning for Function

	Stealth Products Duluth, MN
March 2016	Power Wheelchair Driving Methods for Clients with Muscle Weakness International Seating Symposium Vancouver, BC
Jan 2016	Positioning for Function Stealth Products Sioux Falls, SD
Jan 2016	Switch Assessment Infinitec Palatine, IL Tinley Park, IL
<u>2015</u>	
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Seattle, WA
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Portland, OR
Nov 2015	Positioning the Head NuFair Stealth Products Dallas, TX
Oct 2015	Advanced Seating and Mobility (2 day course) RESNA/MedTrade Atlanta, GA
Oct 2015	Power Wheelchair Alternative Driving Methods: what's new? MedTrade Stealth Products Atlanta, GA
Oct 2015	Advanced Seating and Mobility (2 day course) Rusk Rehab Columbia, MO

Oct 2015	Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating Numotion Springfield, MO
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone Closing the Gap Stealth Products Bloomington, MN
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Long Beach, CA
Oct 2015	Alternative Drive Controls Long Beach VA Stealth Products Long Beach, CA
Sept 2015	Alternative Drive Controls NuFair Stealth Products Lansing, MI
Sept 2015	Alternative Drive Controls Good Shepherd Stealth Products Allentown, PA
Sept 2015	Fundamentals Course Palo Alto VA RESNA Palo Alto, CA
Sept 2015	Positioning for Function Stealth Products Temecula, CA
Sept 2015	Positioning for Function San Diego School District Stealth Products San Diego, CA

Aug 2015	Alternative Drive Controls Rancho Los Amigos Stealth Products Downey, CA
Aug 2015	Alternative Drive Controls Positioning for Function Stealth Products/Big Sky AMES Anaconda, MT
July 2015	Power Wheelchair Assessment Numotion Tampa, FL
July 2015	Building Consensus National Seating and Mobility annual symposium Nashville, TN
June 2015	Switch Assessment Basic EADLs RESNA Annual Conference Denver, CO
June 2015	Switch Assessment and Mounting Positioning for Access TATN Dallas, TX
May 2015	Positioning the Head Alternative Drives for Clients with Increased Muscle Tone Stealth Products NuFair Spokane, WA
April 2015	Alternative Drives Stealth Products Waco, TX
March 2015	Power Wheelchair Assessment and Access Numotion Cape Girardeau, MO
March 2015	Power Wheelchair Assessment and Access Numotion St. Louis, MO
Feb 2015	Power Mobility: Alternative Drive Controls Controlling Speech Generating Devices through a Power Wheelchair

	International Seating Symposium Nashville, TN
Feb 2015	Positioning the Head Alternative Drive Controls for Clients with Increased Muscle Tone Stealth Products/Travis Medical Round Rock, TX
Feb 2015	Switch Assessment United Cerebral Palsy Chicago, IL
Jan 2015	Positioning for Function Stealth Products NuFair Seattle, WA
Jan 2015	Positioning for Function Stealth Products NuFair Portland, OR
<u>2014</u>	
Oct 2014	Advanced Seating and Mobility RESNA Atlanta, GA
Oct 2014	Fundamentals in Assistive Technology RESNA Phoenix, AZ
Sept 2014	Fundamentals in Assistive Technology RESNA Boston, MA
Aug 2014	Alternative Drive Controls Stealth Branson, MO
July 2014	Beyond the Basics Numotion Atlanta, GA
June 2014	Power Wheelchair Assessment Instructional Course Switch Assessment workshop RESNA Indianapolis, IN

May 2014	Fundamentals in Assistive Technology RESNA Newark, NJ
April 2014	Switch Assessment and EADLs Owensboro and Eddyville, KY
April 2014	Advanced Seating and Mobility RESNA Orlando, FL
March 2014	Pediatric Seating and Mobility Ft. Mitchell, KY
March 2014	Positioning for Function Stealth Products Portland, OR
March 2014	Alternative Access Methods Numotion/Stealth Products Phoenix, AZ
Jan 2014	Keynote at Annual Meeting Rehab Medical Indianapolis, IN
<u>2013</u>	
Nov 2013	Restraints vs. Secondary Supports Bodypoint Seattle, WA and Portland, OR
Oct 2013	Advanced Seating and Mobility 2 day course RESNA Atlanta, GA
Oct 2013	Pediatric Power Mobility Cook Children's Hospital Ft. Worth, TX
Oct 2013	Positioning for Function Stealth Products Morgantown, WV
Sept 2013	Power Wheelchairs: Advanced Applications Miller's Akron, OH
Sept 2013	Fundamentals in Assistive Technology

	RESNA Jackson, MI
Sept 2013	Positioning for Function Stealth Products McAllen, TX
July 2013	Positioning for Function Stealth Products Round Rock, TX
June 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
June 2013	Augmentative Communication: access, mounting and interfacing (full day) SWAAAC Summer Symposium Denver, CO
April 2013	Positioning for Function Stealth Products St. Louis, Springfield, MO
April 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
March 2013	Positioning for Function Stealth Products Missoula, MT
March 2013	Pediatric Power Mobility Abilities Expo Los Angeles, CA
March 2013	Advanced Power Wheelchair Applications Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking International Seating Symposium Nashville, TN
Feb 2013	Positioning and Mobility Guest Lecture, Occupational Therapy Class Colorado State University, CO
Feb 2013	Positioning Assessment NuMotion Annual Conference Las Vegas, NV

Feb 2013	Positioning for Function Stealth Products Birmingham, AL; Atlanta, GA
<u>2012</u>	
Nov 2012	Positioning for Function Stealth Products Tampa, Orlando, Miami, FL
Oct 2012	Switch Assessment Putting the Pieces Together Closing the Gap Minneapolis, MN
Sept 2012	Fundamentals in Assistive Technology Course RESNA Ft. Worth, TX
Aug 2012	Positioning for Function Rehab Rally Chicago, IL
Aug 2012	Power Wheelchairs: Advanced Applications ATG Rehab Bethany, OK
August 2012	Switch Assessment, Electronic Aids to Daily Living and AAC Mounting Dallas, TX
July 2012	Positioning for Function Stealth Lafayette, CO
June 2012	Switch Assessment for Type and Location and Switch Mounting Using Power Wheelchairs to Access the Computer and Speech Generating Devices Texas AT Network Statewide Conference Houston, TX
June 2012	Fundamentals in Assistive Technology Course Power Wheelchair Assessment Instructional Course A New Position Paper: Application of Wheelchairs, Seating Systems and Secondary Support for Positioning vs. Restraints workshop Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking Technology in Switch Driving workshop RESNA Baltimore, MD

May 2012	Pediatric Power Mobility ATG Rehab Hartford, CT
May 2012	Power Wheelchairs: Advanced Applications ATG Rehab Boston, MA
April 2012	Electronics Aids to Daily Living with Young Children and in the Classroom HomeCEUConnection.com
<u>2011</u>	
Oct 2011	Pediatric Power Mobility ATG Rehab Santa Clara, San Mateo, Salinas, CA
Oct 2011	Power Wheelchair Assessment Switch Assessment EADLs (2 day course) Center for Discovery Harris, NY
Sept 2011	Access to Mobility and Assistive Technology in the Classroom Setting: Practical Applications AbleNet Austin, TX
July 2011	Enhancing Functional Outcomes through Seating and Positioning Rehab Rally Conference and Expo Orlando, FL
April 2011	Pediatric Power Mobility Navigating the Care of the Medically Fragile Child Boston, MA
April 2011	Alternative Access Methods for Power Wheelchairs MedGroup Las Vegas, NV
March 2011	Power Mobility Assessment ATG Rehab Philadelphia, PA
March 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet King of Prussia, PA

March 2011	Power Wheelchair Assessment International Seating Symposium Nashville, TN
Feb 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Dallas and Houston, Texas
<u>2010</u>	
Nov 2010	RESNA Fundamentals in Assistive Technology Course MedTrade Atlanta, GA
Nov 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Ft Lauderdale, Gainesville and Tallahassee, FL
Sept 2010	Seating for Function ATG Rehab Colorado Springs, CO
August 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Tampa, FL
June 2010	This Isn't Your Grandma's Power Chair ATG Rehab Denver, CO
May 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Orlando, FL
April 2010	Pediatric Power Mobility ATG Rehab Loveland, CO
April 2010	Seating for Function ATG Rehab Memorial Hospital Colorado Springs, CO
March 2010	Power Mobility Assessment Pride Mobility

	Nashville, TN
March 2010	Seating for Function New Mexico Annual Technology Conference Albuquerque, NM
Feb 2010	Using Power Wheelchair Electronics to Access Speech Generating Devices and Computers Mounting Assistive Technology Devices to Wheelchairs Lakeview School Edison, NJ
Jan 2010	Pediatric Seating and Mobility Therapeutic Services New York, NY
<u>2009</u>	
Oct 2009	Seating for Function ATG Rehab Rocky Hill, CT
Aug 2009	Fundamentals in Assistive Technology Course RESNA Anchorage, AK
June 2009	Pediatric Power Mobility RESNA New Orleans, LA
May 2009	Med Group Conference Switch Assessment Denver, CO
May 2009	New power wheelchair electronics Canadian Seating and Mobility Conference Toronto, Canada
May 2009	Seating Mobility New Mexico Annual Technology conference Santa Fe, NM
April 2009	Ablenet Assistive Technology in the Classroom LA County School District Los Angeles, CA
March 2009	New Power Wheelchair Electronics

	International Seating Symposium Orlando, FL
Feb 2009	New power wheelchair electronics: clinical applications United Seating and Mobility Annual Sales Meeting Tucson, AZ
<u>2008</u>	
Dec 2008	Power wheelchair electronics Internal Staff Training Quantum Rehab PA
Nov 2008	Pediatric Wheelchair Seating (full day course) Mayo Clinic Rochester, MN
Oct 2008	Location, Location, Location! Determining the Best Switch Location and Type for Access to Assistive Technology Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse Closing the Gap Minneapolis, MN
Oct 2008	Electronic Aids to Daily Living Occupational Therapy Association of Colorado Northglenn, CO
June 2008	New Power Wheelchair Electronics Pediatric Powered Mobility Position Paper RESNA Washington, DC
June 2008	AT Applications for Challenging Individuals Collaborative Assistive Technology Conference of the Rockies Denver, CO
April 2008	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications (with Ginny Paleg) (4 days) Ablenet/Otto Bock New York, NY
April 2008	Introduction to Assistive Technology Lecture Occupational Therapy Department, Colorado State University Ft. Collins, CO

March 2008	Interfacing Abilities Expo Edison, NJ
Feb 2008	Switch Assessment Colorado Department of Education Motor Conference Denver, CO
Jan 2008	Pediatric Power Mobility Assistive Technology Group El Monte, Riverside, Santa Ana, Ventura, CA
<u>2007</u>	
Nov 2007	Pediatric Power Mobility Assistive Technology Group Lakewood, CO
Oct 2007	Pediatric Power Mobility Assistive Technology Group Hartford, Westport, CT Worcester, Raynham, MA
Sept 2007	Pediatric Power Mobility Assistive Technology Group Sacramento, Stockton, Palo Alto, Salinas, CA
July 2007	Pediatric Power Mobility Omaha, NE
June 2007	A Comprehensive Approach to Assistive Technology for Persons with ALS Auditory - Visual Scanning: What Is It? How Do We Teach It? Collaborative Assistive Technology Conference of the Rockies Denver, CO
May 2007	Review Course for ATS/ATP Credential University of Pittsburgh Alexandria, LA
April 2007	Fundamentals in Assistive Technology Course (4 days) RESNA Singapore
March 2007	Pediatric Seating and Positioning New power wheelchair electronics RESNA Position Papers International Seating Symposium Orlando, FL

Feb 2007	Review Course for ATS/ATP Credential University of Pittsburgh Denver, CO
<u>2006</u>	
Oct 2006	Switch Assessment: Determining Type and Location Wheelchair Mounting Systems for Communication Devices and Computers Canadian Seating and Mobility Conference Toronto, Canada
Oct 2006	Complex Client: Power Mobility Needs Sunrise Medical Denver, CO
Sept 2006	Switch Assessment EADLs Johnston, IA
Aug 2006	Complex Client: Power Mobility Needs Sunrise Medical Pittsburgh, PA
June 2006	Switch Assessment RESNA Annual Conference Atlanta, GE
June 2006	Switch Apprentice: Power Mobility and EADLs The Collaborative Assistive Technology Conference of the Rockies Denver, CO
April 2006	Advanced Applications in Power Mobility National Seating and Mobility Seating Symposium Scottsdale, AZ
March 2006	Power Mobility: Connecting Clinical Needs to Assistive Technology What's New in Power? Sunrise Medical Houston, TX
March 2006	Increasing Independence across the Ages CSUN Los Angeles, CA
<u>2005</u>	
August 2005	Advanced Clinical Education for the RTS NRRTS 2005 Educational Conference St. Louis, MO

- April 2005            Interfacing Assistive Technology with Power Wheelchairs  
New Mexico Technology Assistance Program  
Annual Conference  
Albuquerque, NM
- March 2005            Electronic Aids to Daily Living: providing independent control of devices in the  
environment  
CSUN annual conference  
Northridge, CA
- Jan 2005              Power Wheelchair Access Evaluation and Programming  
Interfacing Assistive Technology and Power Wheelchairs  
International Seating Symposium  
Orlando, FL
- 2004
- Nov 2004              Wheelchair Evaluation Training  
New Mexico Technology Assistance Program  
Las Cruces, NM
- Oct 2004              Wheelchair Evaluation Training  
New Mexico Technology Assistance Program  
Albuquerque, NM
- June 2004              Assistive Technology and Motor Access  
Positioning, Mobility and Computer Access  
The Collaborative Assistive Technology Conference of the Rockies  
Denver, CO
- June 2004              Interfacing Assistive Technology with Power Wheelchairs  
RESNA annual conference  
Orlando, FL
- March 2004            Electronic Aids for Daily Living  
Technological Life Resources: More than Machinery  
Grand Rapids, MI
- 2003
- Oct 2003              Basic EADLs  
Closing the Gap  
Minneapolis, MN
- Oct 2003              Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GE
- June 2003              24 Hour Postural Management: Positioning in Sleep

Fundamentals of the Medical Model: Applications of Assistive Technology for  
Different Diagnoses  
Annual SWAAAC Conference  
Winter Park, CO

June 2003      Electronic Aids to Daily Living: What's in a Name?  
RESNA  
Atlanta, GE

2002

Nov 2002      Power Mobility access  
Achieving New Heights with Assistive Technology  
Aurora, CO

Oct 2002      Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GE

Oct 2002      Switch Access & Assessment  
Closing the Gap  
Minneapolis, MN

Sept 2002     Switch Access & Mobility Assessment  
Wichita, KS

Aug 2002      Electronic Aids to Daily Living  
Switch Access & Assessment  
Pediatric Assistive Technology & Rehab Symposium  
Richmond, VA

June 2002     Switch Access and Assessment  
The Interfacing of AT and Power Wheelchairs: Exploring Advances in Electronics  
RESNA annual conference  
Minneapolis, MN

June 2002     Switch Access and Assessment  
Interfacing Power Wheelchairs and Assistive Technology Devices  
SWAAAC annual conference  
Winter Park, CO

2001

Oct 2001      Electronic Aids to Daily Living  
Achieving New Heights with Assistive Technology  
Aurora, CO

Oct 2001      Assistive Technology Training  
Switches and Assessment  
Augmentative Communication Devices: Access

	Interfacing Assistive Technology with Power Wheelchairs New York Board of Education Brooklyn, NY
Sept 2001	Switches: Assessment for Type and Location Seating People with Acquired Brain Injuries Canadian Seating and Mobility Conference Toronto, Ontario
Sept 2001	Training Pre-Mobility and Mobility Skills for Kids in Power Wheelchairs Interfacing Assistive Technology Devices with Power Wheelchairs Switch Access Assessment for Type and Placement of the Switch Heartland Conference Waterloo, IA
June 2001	Interfacing Assistive Technology with Power Wheelchairs Pre-conference session RESNA Reno, NV
June 2001	Positioning: the basis for accessing assistive technology SWAAAC annual conference Breckenridge, CO
April 2001	RESNA Fundamentals in Assistive Technology Course Boise, ID
April 2001	Positioning, Mobility Access and Interfacing Power Up! Columbia, MO
March 2001	Electronic Aids to Daily Living Keynote address Switches and Assessment Grand Junction, CO
<u>2000</u>	
Nov 2000	Tone and Technology Building Bridges with Assistive Technology Aurora, CO
Oct 2000	Wheelchair Positioning Power Wheelchair Access Methods Power Wheelchair Interfacing 2 day course Missoula, MT
Sept 2000	Advanced Mobility Advanced Interfacing

	2 day course The Heartland Conference Topeka, KS
June 2000	Switch Assessment: Type and Location 2000 SWAAAC Conference Breckenridge, CO
April 2000	New Solutions in Seating and Mobility Updates on Cerebral Palsy Treatment Denver, CO
April 2000	Electronic Aids to Daily Living: an Overview Seating Strategies American Occupational Therapy Association Annual Conference Seattle, WA
<u>1999</u>	
Nov 1999	Wheelchair Mounting Systems for Communication Devices Mission Possible: Building Bridges with Assistive Technology Denver, CO
Nov 1999	Positioning and Mobility: an Overview AOTA SIS Practice Conference Reno, NV
Oct1999	Positioning, Mobility and Interfacing Assistive Technology Preconference workshop Closing the Gap Minneapolis, MN
Oct 1999	An Overview: Electronic Aids to Daily Living Electronic Aids to Daily Living for Children ATIA World Conference Orlando, FL
Sept1999	RESNA Fundamentals in Assistive Technology Course Toronto, Ontario, Canada
June 1999	Electronic Aids to Daily Living Lab RESNA Long Beach, CA
May 1999	Assistive Technology Course Grafton, ND
April 1999	Electronic Aids to Daily Living Lab Assistive Technology Lab

American Occupational Therapy Association annual conference  
Indianapolis, IN

April 1999      RESNA Fundamentals in Assistive Technology Course  
Banff, Alberta Canada

March 1999      The Baclofen Pump and Positioning  
Botox Injection: A Case Study  
Interfacing Assistive Technology with Power Wheelchairs  
International Seating Symposium  
Orlando, FL

1998

Oct 1998      Principles of Wheelchair Seating  
University of Iowa  
Iowa City, IO

Sept 1998      Introduction to Electronic Aids to Daily Living  
Interfacing with Power Wheelchairs  
Canadian Seating and Mobility Conference  
Toronto, Ontario

June 1998      Environmental Control Lab  
RESNA  
Minneapolis, MN

May 1998      Interfacing Assistive Technology to Power Wheelchairs  
Mounting Switches and Communication Devices to Wheelchairs  
Colorado Assistive Technology Project annual conference  
Denver, CO

April 1998      Another Way to Do It...Environmental Control Units  
The Interagency Project for Assistive Technology  
Fargo, ND

1997

Nov 1997      Introduction to Assistive Technology for Children with Special Needs  
Teleconference for the Health Care Program for Children with Special Needs  
Denver, CO

Oct 1997      Environmental Controls: Comprehensive Review of Available Systems  
Full-day instructional course  
Elkgrove, IL

Aug 1997      Environmental Controls: Comprehensive Review of Available Systems  
Environmental Controls for Children  
Keys to Independence...Assistive Technology for All Generations Conference  
Jamestown, ND

- June 1997                    Seating the Challenging Client  
Powered Mobility Access Methods  
RESNA  
Pittsburgh, PA
- May 1997                    The Assistive Technology Assessment Process: Who, What, Where, Why and How  
An Introduction to Power Mobility  
An Introduction to Positioning  
Environmental Controls for Children  
Access Options for Quadriplegia  
Mission Possible! Colorado Assistive Technology Project  
Denver, CO
- 1995
- Oct 1995                    Intervening Early with Assistive Technology: Practical solutions to foster  
functional abilities  
Environmental Controls: Sorting Through Those Devices  
Closing the Gap  
Minneapolis, MN
- Sept1995                    Environmental Control Units and Occupational Therapy  
Occupational Therapy Association of Colorado annual conference  
Denver, CO
- July 1995                    Assessment in Augmentative and Alternative Communication  
Class at the University of Colorado.  
Boulder, CO
- April 1995                    The IntelliKeys Alternative Computer Keyboard and Software  
Environmental Control Systems  
Assistive Technology Lab  
The American Occupational Therapy Association  
Denver, CO
- 1994
