

**FAYETTEVILLE STREET
CHRISTIAN SCHOOL**
EST 1970

Dear Fayetteville Street Christian School Parents,

March 1, 2020 is re-enrollment time here at Fayetteville Street Christian School. You will find enclosed a one-page form for re-enrolling your student(s) for the 2020-2021 school year. Please note: The early enrollment discounted fee is only available if you return the attached form prior to April 1, 2020. The early re-enrollment fee is \$125.00, a savings of \$50.00.

Please remember that current students are not automatically enrolled for the fall. Siblings not currently enrolled at FSCS will need to complete a new student application in order to be considered for enrollment, but they can submit their application during the early enrollment period and also receive the discounted enrollment fee.

Your child's potential is best developed by having a full-time Christian school experience. We take pride in our reputation as the leading Christian school in our area. We take the responsibilities that come with such a highly regarded reputation wholeheartedly, and it is our continued commitment to you to offer a nurturing and caring learning environment to provide effective instruction to help your child learn.

Your current investment in your child's education at FSCS is a clear sign that you want what's best for his/her future. While there are many new prospective families eager to join the FSCS Family, our current students will always receive priority.

However, it is highly recommended that you complete the steps to re-enroll your child on or before **March 15, 2020** to secure his or her place for the 2020-2021 school year. We will begin open enrollment to the public on March 16, 2020. Here are just a few of the reasons parents continue to choose Fayetteville Street Christian School:

1. **ACADEMIC EXCELLENCE** - Christian education taught from a biblical worldview by an exemplary faculty and staff to prepare students for the next grade level and future success.
2. **SPIRITUAL FORMATION** – Biblical teaching and preaching to influence the heart and character of students by nurturing and encouraging them to grow in a personal relationship with Christ.
3. **CHRIST-HONORING ENVIRONMENT** - Promote a **Christ-honoring community** that fosters the social-emotional well-being of students and provides for their physical safety.

Thank you for the privilege of serving your family and teaching your children.

In His Service,

Jerry Sumner
