

Waterford Pre-Town Meeting  
Waterford School Gymnasium  
February 25, 2025

Moderator Maurice Chaloux opened the meeting at 6:00 p.m.

Articles 1-27 were individually discussed, and room for comment was provided.

During the discussion of Article 2, Chaloux opened the floor for any citizen running for a position as a Town Officer to give a brief introduction and speech. Each individual will be nominated on the floor during Town Meeting.

Selectboard Chair Ron Gray gave a brief explanation of articles 13 and 14. Kingdom Animal Shelter had been awarded an appropriation in previous years, and Riverside Rescue requested an appropriation this year. Ron noted that Waterford's animal control uses Riverside Rescue for the town's needs.

Selectboard Chair Ron Gray shared information about the decision to split up the town budget into three separate articles- articles 15,16, and 17. Town Treasurer Heather Gonyaw proposed the change so the citizens can vote more specifically about what they approve or disapprove of without voting down the entire town budget.

The meeting adjourned at 6:51 pm.
