

Special Waterford Selectmen's Meeting
Town Clerk's Office
Thursday, March 19, 2015

Attendees:

Selectmen: Brent Beck, Gary Allard
Road Foreman: Lisle Houghton
VTrans Rep: Shauna Clifford
Better Back Roads Rep: Kerry O'Brien
Clerk: Joanne Jurentkuff

Brent opened the meeting at 8:00 a.m.

The group discussed various upcoming projects and grant opportunities. Shauna will need a copy of the bid package on the Old County Road Culvert Project from Tim Ruggles. Lisle will pass this request on to Tim.

The selectmen signed the Certification of Compliance for Town Road and Bridge Standards on Network Inventory. Shauna needs a copy of this to go with the Grant on Old County Rd.

Kerry presented options that are available thru the Better Back Roads Program. Category A Grants are for a report of prioritized road erosion areas. This is \$4000. She will go around the town with the road foreman and get the information needed and produce the report. The town's share will be labor and truck time.

Category B Grants provide \$10,000 to fix small project that can be done by the town crew. If the fix is a large project, the town can apply for the state grant.

On April 9th there will be a Better Back Roads Workshop.

Shauna got information for the State report of the town highway budget. She will get it back to us for the selectmen's signature.

The meeting adjourned at 8:55 a.m.
