

# TINTED BLUE

*I'm so happy, Lord knows I'm proud  
My life has come together  
No more sad girl in the crowd  
The pain and past behind me  
True love so bright it blinds me  
Why haven't those old feelings gone*

*I remember and in my mind I see  
Very troubled waters  
Two people drowning separately  
The trust between us broken  
Few words of love were spoken  
My happiness was tinted blue*

*But you will always be the one  
My heart and mind are dreaming of  
Even though you're far away  
And we both found a better love  
Though my new love is ever true  
On rainy days I think of you  
My happiness is tinted blue, tinted blue*

*Since I left you  
I knew what had to be  
Cause only if I left you  
Would I be free to be me  
I gave you everything I had, everything I had  
Still you will always be the man  
I'll never understand  
Why oh why oh why oh why*

*You'll always be the one  
My heart and mind are dreaming of  
You are so far away  
And we both found a better love  
My new love is ever true  
But on rainy days I don't know why I dream of you  
Tinted blue, tinted blue  
I don't know why, I don't know why, I don't know why  
Don't know why I see your face  
when the sun shines  
I don't know why I feel your touch, I feel your touch in the pouring rain  
Tinted blue, tinted blue, I don't wanna, I don't wanna,  
I don't wanna be tinted blue  
Please set me free*
