	Member proposed to write to three schools and see if they would make use of KJG and see what their response is. MF/DC
11.4	Liability insurance cover - members are not sure if KJG's are covered under the Parish Council insurance. Cllr P Sultana is currently looking into our insurance renewal. To bring up at the next meeting. If KJG is a constituted group then they should have their own liability insurance.

We need to lobby SMBC and they need to take action against fly tippers. They need more enforcement officers. People from other boroughs are dumping rubbish in our borough as there are no consequences. Cllr P Sultana has raised a motion to write collectively from KPC to SMBC about our concerns and requirements for enforcements and fines for fly tippers and draft a letter, send to Clerk to send to all Councillors for approval. Cllr B Follows seconded. All agreed. To copy to clerk to send to Borough Councillors who cover Kingshurst and ask them to do the lobbying as well and ask if they have done anything about this issue over the years.	PS/Clerk

Letter from Cllr D Cole 26th April 2021

Dear Councillors,

I attended a Cabinet Portfolio Members Meeting on 22nd April 2021, on the Agenda was West Midlands Cycle Scheme for Solihull.

The Transport for West Midlands (TfWM) team has recently partnered with Serco Ltd to bring forward a cycle scheme for the West Midlands. The scheme is similar to that in London.

The scheme is supported by a five year contract and if KPI indicators are met there is an option for an additional 3 years. The scheme includes provision of equipment, cycles and docking stations, the scheme will be run by TfWM who will be responsible for providing the cycles, running the scheme and maintaining the contract and equipment.

The scheme will operate across all 7 West Midlands Local Authorities.

The scheme is approved and funded by the West Midlands Combined Authority (CA) and is run on their behalf by TfWM.

Solihull Council has given permission to site the cycle bank at the following locations

Solihull Train Station

Station Road near the junction with Lode Lane

Solihull High Street

Knowle Tesco car park

Blossomfield Rd near the college

Load Lane near to Solihull Hospital

Shelly Farm, Hillfields

Moat Lane by the council depot

A41 Warwick Road at Devonport House Parade Shops

Malvern Park car park.

Councillors, I informed the CPH Chairman that I was disappointed that North Solihull was not included in the roll out and that this decision would be interpreted wrongly in North Solihull. It was agreed that this might be the case and I agreed with officers that they go back to TfWM to put my case forward, I proposed that Chelmsley Wood Interchange be included in the roll out and one of the original sites be taken out.

Officers put this forward to TfWM but they refused to change any of the sites stating that they had a business plan to keep too..

It was agreed that if all goes well then a further scheme would be looked at which would include the following sites

N.E.C

Birmingham Airport

Birmingham International Railway Station

Chelmsley Wood Interchange

Martson Green Railway Station.

I was not happy with the outcome and vented my frustrations the CPH committee.

Councillors I would like to propose that KPC write a letter to the West Midlands Mayor and to TfWM expressing our anger that North Solihull yet again misses out on infrastructure that could improve residents lives and wellbeing, I will be talking to other Parish and Town Councils in the North asking for their support by also writing to the West Midlands Mayor and TfWM.

Can we please discuss this at the next Parish Council Meeting.

Thanks

Councillor David C Cole.
