## The Pastor's Thoughts

2 Peter 1:3 His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence.

It can be frustrating to try to accomplish a task when you don't have all the information that you need. Maybe you remember trying to work in a position in which you weren't properly trained. Life is harder and more important than any job. The good news is that God has given us all the information that we need in regards to life and godliness. We don't need to go searching for information from the world. If we feel like we don't have what we need, it's not because it hasn't been offered, but rather because we haven't reviewed the material. Let this be a reminder to us to continually be in God's word and to run to it first in matters of importance.

Pastor Pete
