

I would like to invite you to attend a Legislative Training session on Thursday February 4, 2021 at 5 p.m. This will be a zoom meeting. The link to that is attached. As we enter into our session, not being allowed inside the building, it is important that we ALL understand how to track bills and to provide testimony. This training should help us all be more confident in navigating the website and submitting our opinions.

In addition to election integrity bills there will be many others that will attempt to infringe on our liberties. It is imperative that we make our voices heard. At this time we don't know exactly how they are going to allow that but I do know written testimony is always allowed.

Also please see the attached letter from NVGOP Chairman Michael McDonald if you are interested in being added to their list for email updates and text message alerts on the upcoming session.

I hope to see you all on Thursday!

Janet Freixas
NvFRW President
