Dear Friends and Family,

Greetings in the name of our Blessed Lord, Jesus Christ! This last month has been a month of both answered prayers and new challenges. We have had one more church take us on for support, which brings us to 91%! The Lord also answered a great prayer request and provided the funds for our start up fund. We are both grateful and humbled with how the Lord has worked to answer that prayer. We are also very excited to celebrate our anniversary on October 6th. We will be celebrating five wonderful years of marriage!

We desired that our next prayer letter would be written from Ireland. Yet, some events arose that we believe were very timely as they needed to be taken care of before we leave for Ireland. In July, after we had chosen our target date for departure, as a result of some test results, our family doctor recommended that I see a specialist. We were able to have an appointment on August 13th. The specialist recommended an additional test. The earliest date available for this was September 5th. Making the decision was very hard because it would change all of our plans to leave for Ireland. After much counsel from my pastor and from Bro. Ledbetter, as well as family and close friends, we decided to have the test done. We were counseled to proceed since the opportunity had come available so quickly. On September 10th we received the results, and they were a big answer to prayer and very favorable for us. The doctor explained that the next step would be a specialized surgery. The earliest date available was October 2nd, but the Lord opened the door for me to have the surgery on September 18th. The doctor strongly recommended six weeks to recover and advised us not to leave until after that time so that I can heal completely with no complications. The earliest we will be able to leave for Ireland is the beginning of November. We will be picking a new target date as soon as the doctor approves that I am able to leave with no serious restrictions. During this time we are focusing on my recovery and will continue final preparations and plans to leave in November.

It has truly been amazing how everything has worked together and how we have seen the Lord's Hand in all of this. We would appreciate prayer concerning my recovery and finances involved with the surgery.

Thank you for those who sent us birthday cards and emails. They were a wonderful blessing and encouragement to us! Thank you for your faithful prayers and support!

Your missionaries to Ireland,

Andrew and Jennifer Day
