**Childers' Children's Corner**

**Brielle** is really growing up. She placed second in her class in school. She will be turning 8 in August.

**Ryan** is graduating preschool this month. He is afraid of kindergarten—he heard it is a lot of work!

**Noelle** loves to sing, and watch boats. She has another tooth coming in now.

Our rollercoaster that is called life in Grenada continues! It feels like we live in a spiritual yoyo sometimes! And yet, God has continued to show His faithfulness toward us over and over. To God be the glory, great things HE hath done!

We have concluded our third term of the Bible Institute. We had our best term yet, with our four students learning about Godly Disciplines. Each of them studied diligently; but more importantly, they are applying the lessons into their lives. In the next few weeks, we look forward to beginning our fourth term, as we have our first Bible course, in Old Testament Survey.

Concerning the Christian school, God has provided in incredible ways for us. Several churches donated readers and other curriculum materials and school supplies; one family purchased the remainder of what we needed for grades Kindergarten through Grade 3; and a couple churches and an individual donated financially, which has allowed us to purchase fire extinguishers, fire and liability insurance, plus paid for the shipping and customs costs for the curriculum, and government fees for a 3-year permit. It will also pay for a portion of the fence to surround the yard, building individual desks for the children, and constructing a new office so we can expand the smaller classroom! It has been a whirlwind of activity! We are so grateful to each one God has used to supply for our needs.

We have now passed our school inspection, and been verbally given the approval to proceed for September. We still await the printed permit, so please pray that comes in quickly to make it entirely official. They previously gave us approval, then called back to say there was a problem and we were NOT yet approved. After weeks of working to resolve the problem, they said we could keep everything as it originally was submitted.

In our last letter, we mentioned it has been a very fruitful season in ministry. That season continues also. We have seen souls come to Christ almost every week in our soulwinning efforts. A youth girl named Amelia was saved and coming faithfully to services, plus she brings her sisters with her. Miss Ann kept her commitment and followed the Lord in believer's baptism. We are grateful to see the

Lord continue to work here!

Beyond the regular services, soulwinning, Bible Institute, and Christian school, the other ministries continue to go well also. The home Bible study is always a wonderful time of fellowship with a good spirit. Youth meetings and children's Bible Clubs have been well-attended and with good responses. On a personal level, we have been back and forth with different sicknesses and ailments. Also, please pray for us as we are moving in late July. Yet, we are encouraged in God's goodness! Thank you for your part in our ministry!
