

Who loves you 208

**(x2) Who loves you pretty baby,
who's gonna help you through the night?**

**Who loves you pretty mama,
who's always there to make it right?**

(Who loves you), Who loves you pretty baby?

Who's gonna love you mama?

(Who loves you), Who loves you pretty baby?

(Ah, Ah Ah,)

**When tears are in your eyes, and you can't find the way
It's hard to make believe, you're happy when you're gray**

**Baby when you're feelin' like
you'll never see the mornin' ligh
Come to me, baby, you'll see.**

**Who loves you pretty baby,
who's gonna help you through the night?**

Who loves you pretty mama, who's always there to make it

(Who loves you), Who loves you pretty baby?

Who's gonna love you mama?

(Who loves you), Who loves you pretty baby?

Who loves you

208

(Ah, Ah Ah,)

And when you think,
The whole wide world has passed you by.
You keep on tryin', but you really don't know why.
Baby when you need a smile, to help the shadows drift away
Come to me, Baby, you'll see.

Who loves you pretty baby,
who's gonna help you through the night?
Who loves you pretty mama,
who's always there to make it

(Who loves you), Who loves you, love you?
(Who loves you), Who loves you love you?

----- Instrumental interlude -----

Baby, Baby, Doot-doo-doot come to me, Baby, you'll see.

Who loves you pretty baby,
Who's gonna help you through the night?
who loves you pretty mama, who's always there to make it?

(X2) (Who loves you), Who's gonna love you, love you?
Who's gonna love you?
