ANNOUNCEMENT

The church office received notice that the fire inspector for the city of Florence is scheduled to return to recheck the Hood and Hood System the early part of February. When the fire inspector returns, she will be checking to see what progress the church has made in addressing the need to replace the hood in the kitchen. With that fact in mind, anyone interested in assisting the church in replacing the hood and dealing with the other matters related to getting the kitchen back in operation are asked to make their contributions ASAP!

This request is being made because currently, only \$2,285 has been designated or earmarked to address the hood project while \$5,500 is actually needed to begin the project. Any and all contributions earmarked for the hood project today and next Sunday are greatly appreciated. If we are able to secure \$5,500 or more, the workers can apply for the permit to begin the work of replacing the hood. Your immediate attention to this request is greatly appreciated. Rev. Hodge
