## SILENT AUCTION

*January 17 – 20, 2019*

We gratefully acknowledge our guests, hosts, sponsors and all those organizations and individuals who generously donate and bid on auction items for the Winter MICE Leadership Summit. The Auction is open for the participation of all attendees and net proceeds will benefit the UNESCO World Heritage fund sites. Heritage is our legacy from the past, what we live with today, and what we pass on to future generations. Our cultural and natural heritage is both irreplaceable sources of life and inspiration. What makes the concept of World Heritage exceptional is its universal application. World Heritage sites belong to all the peoples of the world irrespective of the territory on which they are located. The United Nations Educational, Scientific, and Cultural Organization (UNESCO) seek to encourage the identification, protection, and preservation of cultural and natural heritage around the world considered to be of outstanding value to humanity.

**Special Notice:**

Upon arrival in the registration/hospitality area when picking up your credentials and welcome packets, you will be assigned a paddle number and will be asked to provide a credit card to complete the auction form authorizing The Opus Group for charges that you may incur at the auction. It is with the agreement that in the event that you do not make a purchase at the auctions, the form and credit card voucher shall be destroyed.

Local guests who are only attending the Sunday evening event are requested to stop by the Leadership Summit desk outside of the Reception prior to the start of the evening's activities to provide a credit card and to be assigned a paddle number should they wish to participate in the silent auction. Non-attendees may also bid in absentia once providing a credit card.

# Silent Auction Procedures

All bids are binding on the bidder at the time entered on the bidding sheet. Please read the itemized description in the auction catalog of each Lot for the terms and conditions of each Silent Auction item. Auction purchases must be used as indicated in the catalog and on the table display sheets.

## Silent Auction Display

The Silent Auction Lots are displayed on tables placed near the Hospitality area located in the Serenity Lounge at Haven Riviera Cancun. A description of the Lot, any specific terms of purchase, and a bidding sheet will be placed in front of each Lot. Each Lot may contain one or more items, as designated by the donor(s) or Auction officials and described next to the bidding sheet. Please read the description and conditions of sale carefully before bidding. Components blackouts and use dates may vary from one another and include all details provided by the donor.

## Silent Auction Schedule

Silent Auction bidding begins on Thursday, January 17 at 10:00 AM., and concludes on Sunday, January 20 at 8:00 PM. Final bidding for the Silent Auction will take place during the Reception Monday, January 8 starting at 6:30 PM, at Haven Riviera Cancun. All Silent Auction bids will close at 8:00 PM that evening, or as announced.

## Bidding Procedure

Bidding will be conducted by pre-assigned paddle number. Paddle numbers will be assigned to all individuals on registration and check-in. A paddle number is required for auction participation. Bidding will be conducted by paddle number and or individual bidder name on the bidding sheets. All bids are binding on the bidder at the time of the silent auction closing.

To bid on a Lot, any event participant or their guest should clearly print the amount of bid, their paddle number (to be assigned at registration) and name in the spaces provided on the bidding sheet. Bidding must begin at or above the Minimum

Bid stated on the form to be a bona fide bid. **Subsequent bids will be accepted in whole US dollar increments only according to the bid increment listed on each individual lot bid form. Any bids submitted that do not follow the bid increment listed will be invalid.**

A bidder in the Silent Auction may retract a bid by striking out their bid from the bidding sheet prior to the closing time on **Sunday, January 20**, and such retraction shall revive the immediate prior bid. There is no crossing out a bid once the auction is closed.

If two or more parties are actively bidding at the close of the auction on Sunday evening, and there is a dispute on the final bid as determined by the Auctioneer for a Silent Auction item, the bidders will be given the option to submit one final, written “private” bid to The Opus Group auction staff. The highest bidder will win the auction lot in question as determined by the auctioneer.

#### **Closing and Payment**

When the Silent Auction closes on Sunday, January 20, the highest bidder on the bidding sheet will be considered to have purchased the item; however, any bid that does not exceed the prior bid by at least the incremental amount will be rejected, and the Lot will be sold to the prior valid bidder. Information on successful bidders will be available at the hospitality desk on the morning of Monday, January 21. All purchases will be final and binding and will be charged to the authorized registered credit card of the winning bidder or by check if pre-arranged by the purchaser upon check-in and approved by The Opus Group (paid in US dollar only). All purchases are final and non-refundable.

**With grateful appreciation for everyone’s attendance and support of the silent auction.
