

Absence Agreement

All fee-paying parents are not charged when the Centre is closed for Bank Holidays and Twixus Annual leave. Therefore, any other time your child is away you will be expected to pay the fees to cover the overheads of the Centre. This includes all Primary School holidays when the Centre is open. There is no exception to this. If you are a teacher or student that only receives funding during term time, please speak to Marilyn or Garrick.

Please note Many parents arrange their holidays to coincide with Twixus so they do not have to pay Twixus fees when their child is away on their family holidays or have to find alternative care for their child when the Centre is closed.
