Summer of 2022

KidsCamp will be at Afton Elementary School again this summer. (Revised 04.22.2022)

Camp Frequently Asked Questions

We believe in sunshine, exercise, and outdoor play

- 1. What are the dates and hours of camp?** The 2022 camp season is 9 weeks, June 20 – August 19. Programs run Monday through Friday. Hours are 9 a.m. to 4 p.m. for the regular camp with dismissal starting at 3:45 p.m.. We also offer before-care starting at 7:00 A.M. and after-care ending at 6:00 P.M. **We dismiss at 3:45
- 2. What is the dress code?** Dress for active outdoor play—shorts, t-shirt, and closed-toe shoes. Swimsuits and sandals on days with water. Tuesday mornings we go swimming. Thursdays we usually have a water slide activity.
- 3. Do you serve meals?** No, campers should bring a lunch and two snacks daily. However, most Fridays we do have a free BBQ or catered lunch. The Monday newsletter will provide details each week. Please note that snacks and lunches need to be peanut-free / tree-nut free.
- 4. What is the staff like?** We aim for a mix of ages and genders. Many college students and adults who work in child-care are on our team. All camp staff members have Pennsylvania mandated clearances in FBI fingerprints, PA child abuse clearance and training, PA State Police, etc. Our staff includes licensed school teachers who spend the summer with us.
- 5. Do you have a camp nurse?** We have a full-time registered nurse who cares for students when they are at camp. She will assess and address your child's needs on a daily basis. Ultimately, our goal is to keep your children safe while attending camp, but having a nurse on site is a wonderful resource for everyone at the camp. She is able to treat children with any minor injuries that can occur at camp, while keeping parents informed when necessary. Also, the nurse can work with parents or guardians to review and address any allergies a child may have.
- 6. Should I bring sunscreen?** Students should bring sunscreen, as we are outside throughout the day. Sunscreen is extremely important on swim days, as the pool is outdoors. We highly recommend the spray sunscreen, as it is easier for children to apply. Please note that our staff members are not permitted to apply lotion type sunscreen to any child. Campers should come to camp with sunscreen applied, and will be instructed to re-apply mid-morning, mid-afternoon, and before swimming.
- 7. What if my child is sick before or during the camp day?** If your child is not feeling well, please keep them home and call us to report their absence. If your child becomes ill during the camp day, we will take her/him to the camp nurse and she will call you if necessary. If your child has tested positive for COVID, they may not attend camp. They will be permitted to return five days after symptoms begin under a modified quarantine, as long as their symptoms have not gotten worse. If they return after five days, they will need to wear a mask at all times for the next five days, and will eat/drink separate from the group. We will continue to follow all CDC guidance for COVID illness and/or exposures. This policy is subject to change based on CDC guidance.

8. Does the camp offer recreational swimming? Each child will have the option of participating in recreational swimming and pool activities every week. Swimming and pool activities will be held each week under the supervision of program staff and lifeguards (see "Parent Permission" Policy for further information). Prior to any child participating in swimming activities, lifeguards will test each participant's swimming ability. Participants are then allowed access to designated sections of the pool based on their swimming abilities.

PARTICIPATION IN RECREATIONAL SWIMMING WILL ONLY BE AVAILABLE IF A COMPLETED PARENT PERMISSION FORM IS ON FILE FOR THE CAMPER.

9. Does the camp offer "Off-Site" Special Activities? Yes!!! We are happy to announce that off-site activities are back this year. Every camper who attends on Mondays will have free local trips. The trips include a trampoline park, laser tag, and local parks. The camp newsletter will detail each week where each grade level will be going.

10. Does the camp offer Regional Field Trips, Clubs & Special Activities? Regional Field Trips are back this year, and we have several new ones, as well as some returning favorites. These field trips are offered with an additional cost. Be sure to register early, as some trips have a limit on how many campers can attend.

12. What ages may enroll? The KidsCamp summer day camp program will accept the enrollment of any child who will be enrolled in kindergarten through eighth grade as of September 1st.

13. Does the camp have "themes"? The camp program has been divided into 9 one-week theme modules. Each program module has been developed to be a complete day camp experience in itself, yet a continuum of "new" as well as high-interest repeat activities for children choosing to enroll for the summer.

14. Does the camp offer bus transportation within the Pennsbury School District? Suspended this summer due to COVID-19 and social distancing requirements.

15. What is your "Peanut Allergy" Policy? KidsCamp understands the seriousness of peanut/tree-nut related allergies, and will strive to maintain, but cannot guarantee, or ensure, a peanut/tree-nut free KidsCamp environment for the safety and welfare of all of its participants.

Parents of children with peanut/tree nut-related allergies should speak to our camp nurse and are advised that KidsCamp will try but cannot guarantee that its environment will be completely free of peanut / tree-nut related items.

In addition, parents are asked not to include peanut/tree nut related items in their child's lunch and snacks. Children who have peanut/tree nut related items (i.e., P&B sandwich, peanut/tree-nut butter crackers, etc.) in their lunch will be asked to sit at a separate "Peanut/tree nut" lunch table.

By allowing their child (ren) to participate in KidsCamp, parents acknowledge that they have fully read and understood this "Peanut Allergy" Policy, understand that their acceptance of this policy is a condition of their

16. **What is your "Emergency Information" policy?** All children participating in the KidsCamp summer day camp program will be required to have up to date parent, emergency, and pick-up information on file at all times. No child will be allowed to start KidsCamp unless all forms are completed and on file in the KidsCamp office.

17. **What is your policy on allergies?** It is the responsibility of parents to ensure that the KidsCamp office is alerted about all allergies and medical conditions at the time of registration.

18. **What is your policy on first aid?** We employ a camp nurse (RN) on a full-time basis to manage health care. Parents are required to provide an electronic signature at the time of registration that will allow staff members to provide first aid to their child, as well as permitting the summoning of, and subsequent treatment and transport by emergency medical personnel.

Parents of participants who have to require an EpiPen will be required to have a completed medication form, provided by KidsCamp, completed by their family physician, as well as providing the necessary "measured" dosage of any prescribed medicine, in its original container, according to School District and KidsCamp policy.

19. **What is your photo release policy?** Attendance of a child at KidsCamp implies and grants the parents' and/or guardians' permission to KidsCamp and/or KidsCare officials the right to use, reproduce, and/or distribute photographs of their child participating in KidsCamp activities, without compensation or approval rights, for use in materials created for purposes of promoting the activities of KidsCamp.

20. **What type of crafts do you have?** No summer camp experience is complete without the usual "hands-on" arts and crafts. Some of the activities will include nature walks, identification of animal signs and habitats in local parks. Parent Permission (1 signature required)

1. Child Care / Parent Agreement

1.1 I understand and certify that my child's participation in all KidsCamp activities is voluntary and that I have familiarized myself with the camp's activities and programs.

1.2 I recognize that certain hazards and dangers are inherent in running, swimming, and other sports. I further acknowledge that KidsCamp has taken safety measures to minimize the risk of injury to camp participants and that KidsCamp cannot ensure or guarantee that the participants, equipment, premises, and/or activities will be free of accidents and/or injuries.

1.3 Recreational swimming activity is optional and advance approval is required from parents. The pool depth usually ranges from approximately three (3) to nine (9) feet. In addition to KidsCamp staff, lifeguards provided by the pool facility will be on duty, and they will supervise all water activities.

Parents wishing their child to participate in these recreational swimming activities must indicate this preference under the section entitled "Swimming Activity Preference" on the Program Registration Form. If checked "Yes", the child(ren) will participate in the recreational swimming option as scheduled for the duration of her/his/their enrollment in KidsCamp. An unchecked box in this section will be interpreted as a "No".

Children not participating in the recreational swimming activity will remain at the KidsCamp program and participate in the regularly scheduled camp activities.

Swimming will be at a local community pool.

1.4 Local field trips are scheduled regularly throughout the entire summer. These field trips may include trips to state parks and special "off-site" activities such as bowling, miniature golf, etc.

Parents are notified about the local field trip(s) in which their child(ren) may participate via the weekly camp newsletter distributed on Monday of each camp week.
