MUSIC- Thursday, September 21st at 1:30PM Dick White will be joining us for his Love of Music. Dick is from Darlington and has literally used his voice to make a living for decades. Marrying his strong voice with his beloved guitar to power a popular local band called "South 40." He plays classic rock mostly, with some old-school country and rockabilly, the latter of which his black Gretsch "Rat Rock" style guitar is ideal. He has been singing and playing guitar for at least 25 years. Do not miss this great opportunity to listen to Dick White on Thursday, September 21st!
