

## *Eve*

# 72

**Eve, there's a woman in your eyes  
Ooo Eve you made me realize  
Eve give me a smile  
Ooo Eve you're only a child**

**But it's making me turn my head all the time  
'cause looking at your face is  
like seeing the sunshine**

**Eve I'll never let you down  
Ooo Eve I'll always be around**

**And it's making me turn my head all the time  
'cause looking at your face is like seeing the  
sunshine**

**Eve give me a smile  
Ooo Eve you're only a child**
