Our Youngest JNFC Member and a Future Miss America!

CONCERT AT SIOUX FALLS, SO. DAKOTA!
Review by Ann Grauvogal, (Argus Leader Staff)
Sioux Empire Fair, Sioux Falls, SD (8-28-87)

FANS GOT \$10 WORTH OF JUICE!

"One out three isn't bad. In baseball, just one hit means a batter won't strike out. In Fair Entertainment, one concert worth going to makes two stale ones easier to stomach.

Friday night, Fun Pack fans who opted to pay \$10 for three nights of shows instead of \$8.50 for just one, learned they could have saved \$1.50. But even those who paid \$10 got their money's worth when country singer Juice Newton, with the Osmond Brothers to open, played the Sioux Empire Fair grandstand.

They brought talent, energy, showmanship and sound that more than made up for what was lacking Wednesday and Thursday. Even nicer, they cranked the speakers up loud enough to fill the grandstand. This sounded like a concert, not a corner street show.

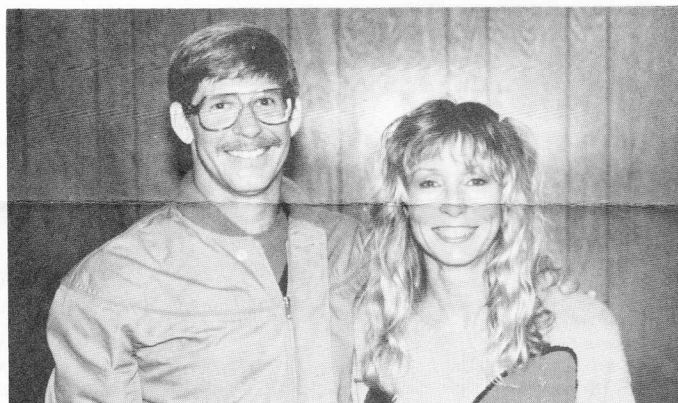

Newton isn't making a comeback like Charley Pride. She's not a nostalgia act like Bobby Vee. She didn't have anything to prove on stage except that she was ready to get on stage and have a good time in Sioux Falls. No sweat.

"Angel of the Morning", "Love's Been A Little Bit Hard On Me", "Queen of Hearts": she brought the hits that made her famous. The voice was never better than when she threw it out, heart and all, "I'm So Hurt."

Newton didn't rely on her oldies to make the show. "First Time Caller" came from her latest album. "Let's Dance" — and she did — was 50's rock. "Old Flame" was broken hearted country fare from last year's album.

With the Silver Spur Band behind her, Newton couldn't lose. Dressed for Miami Vice, the band boogied with hot guitar duets, a rock n' roll flair and energy.

Juice and JNFC Member Richard Mundt

Handsome JNFC Member, Rick Mundt, Lake Preston, S.D., in paradise, momentarily, meeting Juice backstage after the concert at Sioux Empire Fair, August 28th, 1987.

(Excerpt from a letter Rick wrote to us after the above concert)

"Maxine, thank you very much! If it wasn't for you, I may not have gotten to meet Juice. It was very nice meeting Otha, too! I don't know how I could ever do anything for you like you've done for me. When I mail this letter, I will send \$20 to the Kidney Foundation, I can do that to show my gratitude! Juice is the best! It's amazing, she opens her mouth and that beautiful voice comes out! You people made one fan very happy!"

NOTE: We'll do our best to get any JNFC Member backstage to meet Juice after a concert, but you must contact us first. You will need your membership card, but you also need a letter from us showing that your membership is valid. Contact us early enough for us to make arrangements. (We hope you get to meet Juice!)

Dear Members!

The lateness of this newsletter is due to our trying to gather information about Juice. This has been a light work-year for her. First, she had to take time out to bring Jessica Ann into the world, then it was necessary for her to get Jessica settled and adjusted in her new environment. Next, Juice broke her back when her horse threw her, and it takes time to recuperate from a serious injury such as that, and, lastly, Juice was very busy trying to finish her new album "Emotion". As a result, news has been scarce! We promise, now that things are happening again, what we can't get for you this time, we'll get for you in the Christmas Newsletter.

IMPORTANT NEWS — (The release of the LP "Emotion")

The new album is available now, and all the wait mentioned above, has been worth it! Juice outdoes herself on this one. Her voice is unusually sweet, and she sings each song with great emotion. Everyone involved with this product deserves a pat on the back! The LP is sheer elegance!

NOTE: It's been two years since we did the survey on the songs on "Old Flame," and we are wondering if you would like another survey? Most of the letters we're receiving now list your preferences, after your first listen. We'll be delighted to tally your picks, but give the album a few turns first, then send in your choices.

DISAPPOINTING REPORT!

The first single release from the LP "Emotion", "First Time Caller", didn't do well on the charts, peaking at #24. The story line of the song was unique and timely, and Juice's rendition of it was great, but it didn't get a whole lot of airplay. Only now, in our area, are we hearing it (two months after its release, and after it had peaked on the charts). Many of you wrote saying your local radio stations played it right and left and that made it to #3 and #1 on several nightly countdowns.

To all of you who called your local DJs requesting the song, to you who wrote us saying you loved the song, and to those DJs out there who played the song—THANK YOU!

QUOTABLE QUOTES

(Barbara Rike, San Jose, California)

"I just bought Juice's new album and I love it! All the songs are great! "Emotion" sounds like a Brenda Lee or Ricky Nelson song . . . great!"

First Critics Quote Re: LP "EMOTION"!

POP SUPER STARS FLOOD MARKET WITH NEW PLATTERS!

"Newton has taken a tip from the "roots rock" movements to revamp her sound. "Emotion" has a taut, strip-down style, that gives the vocalist plenty of room for her golden throat delivery. **She never sounded better!**

But, **the wait was worth it!** So here I sit listening, and let me tell you, **this is one awesome album!** Keep in mind, I'm a 22 year old college student, so of course the **up-tempo** songs appeal to me most. **Otha's** song "I Still Love You" is his **best yet!** I think it really hits a nerve!"
