

# ST. CATHERINE OF ALEXANDRIA SCHOOL MUSIC

## Welcome SCA Families

We are excited to begin this new school year and we welcome you all. Students will be participating on campus and at home learning environment for music, which will include biweekly grade level instruction, small group instrumentals and choir classes. Please keep in mind that all instrumentalist will need to provide their own instrument of choice and materials. We look forward to a great year ahead!

All instruments must be rented or purchased from an outside source. Amazon or your nearest music store. We recommend JKea Music store address: 19069 Van Buren Blvd. #113, Riverside, CA 92508. (951) 7891422. This store has been an excellent resource to purchase any instrument or music supplies.
