Bullet Points

These are great simple talking points on Prop. 1 to help with announcements and bulletin inserts.

- Prop 1 is a proposed amendment to the California constitution that allow unlimited late-term abortions for any reason, at any time, even moments before birth, paid for by tax dollars.
- Prop 1 promotes an unlimited expansion of abortion in California, while its defeat would keep all abortion laws as they are, including our common-sense limits on late-term abortions.
- Catholics should vote “No” on Prop 1 and are asked to pray and take action against Prop 1.
