

Chain gang

151

**Don't you know that's the sound of the men
they working on the chain gang,
woah lord, at the sound of the men
they working on the chain gang**

All day long, they're singing

**Don't you know the sound of the men
they working on the chain, gang,
Can't you hear them, they're out there working
they working on the chain gang**

**All day long they work so hard
till the sun, is going down
working on the highways and byways
and wearing, wearing a frown**

**you hear them moanin' their lives away
and then you hear somebody say now**

Chain gang

151

**That's the sound of the men
they working on the chain, gang,
woah lord, at the sound of the men
they working on the chain gang**

All day long, they're going

**There's the sound of the men
they working on the chain gang,
Every day, that's the sound of the men
They're working on the chain gang**

This is what they're saying

**I'm going home, yes, I am
See my woman, the one I love so dear
But in the meanwhile, people
You know I gotta work right here**

**The sound of the men
they working on the chain, gang**
