

Major Subdivision Preliminary Plan

Application Submission Checklist

Town of Limerick, Maine

Major Subdivision Preliminary Plan Checklist

Applicant Name:	Subdivision Name & Address:	Date:
------------------------	--	--------------

The following application materials are intended to give full and accurate information to the Planning Board of the Town of Limerick and any professionals the Board so desires to review a subdivision application. Items on this checklist must be provided, or methods of providing them must be identified on any plans or application materials submitted to the Planning Board. Any applicant seeking waivers must provide a written request to the Planning Board citing the requirement requesting to be waived and a justification for doing so.

In accordance with the Limerick Subdivision Ordinance Section 7.2.1, the Preliminary Plan shall be accompanied by a Location Map drawn at a scale of not over four hundred (400) feet to the inch to show the relation of the proposed subdivision to the adjacent properties and to the general surrounding area. The Location Map shall show all the area within two thousand (2,000) feet from any boundary of the proposed subdivision. The Preliminary Subdivision Plan shall be submitted in four (4) copies of one or more maps, drawn to a scale of 1 inch equals not more than one hundred (100) feet, showing or accompanied by the following information:

Major Subdivision Preliminary Plan Submission Requirements

Requirement	Submitted by Applicant	Not Applicable	Applicant Request to be Waived	Reviewed by Planner or Code Officer	Waived by Planning Board
7.2.2(1). Verification of right, title and interest in the property, including any deed descriptions, covenants or deed restrictions as are intended to cover all or part of the tract	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7.2.2(2). An actual field survey of the boundary lines of the tract, giving complete descriptive data by bearings and distances, made and certified by a licensed land surveyor. The corners of the tract shall be located on the ground and marked by monuments as herein required, and shall be referenced as shown on the plan	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
