ANNOUNCEMENT

ACCI 2nd ANNUAL 5 K WALKATHON

February is Cancer Prevention month. Africa Cancer Care Inc. (ACCI), a 501 ©3 organization based in Houston, Texas USA plans to mark 2013 **Cancer Prevention** month by organizing their 2nd 5k Walkathon, **“Walk 4 loved Ones-Walk/Run For A Cause”**. The goal is to promote awareness and routine screening for those cancers with established screening modalities and those in which early detection has made a difference in survival. Participants will be walking for Breast, Cervical, Colon, Lung, and Prostate Cancers. This event is slated to take place on February 23, 2013 at Silverlake, Pearland, Texas. The walk will kick off from Silverlake Elementary School on County Road 90 at 9:00 a.m. prompt.

At ACCI, we are committed to Cancer Prevention. We are devoted to fighting cancer through prevention and early detection. Prevention is key to fight against cancer. Early detection is key to survival from Cancer. Our vision is “Creating Path to Cancer Free World, Step By Step”. February is Valentine month. A month during which we express our love for and to those who are especially close to us. We therefore decided to walk for our loved ones. We will be walking for our loved ones who have or had cancer and to prevent cancer occurrence in any of our loved ones. **Join the Walk 4 Loved Ones. Walk 4 your wife, husband, mom, dad, brother, sister or a friend.** During the kick off, we shall have speakers on the importance of early detection, routine screening, and prompt follow-up on abnormal physical findings or occurrences. We shall have survivors speak to the impact of early detection on their survival.
