

## APPENDIX A: PUBLICATIONS

---

Presented by the following sections: Editorship, Texts, Text Chapters, Peer Reviewed articles, Non-Peer Reviewed articles, and Other Publications in reverse chronological order.

260 publications

4 editorships, 2 Texts, 13 text chapters, 14 peer reviewed articles, 228 non-peer reviewed articles, 8 other publications. Michelle has also written over 100 blogs, primarily for Seating Dynamics.

### Editorship:

---

- 2018                      Seating & Wheeled Mobility: A Clinical Resource Guide. Slack Inc., Thorofare, NJ.  
Co-editor: Jean Minkel, PT, ATP.
- 2012 – 2022              NRRTS Directions Clinical Editor.
- Jan 2008                 Editor, Fundamentals in Assistive Technology, 4<sup>th</sup> Ed. RESNA Press, Arlington, VA.
- 1996                      Editorial consultant. American Occupational Therapy Association's Self-Paced  
Clinical Course: Technology and Occupational Therapy: A Link to Function.

### Texts:

---

- August 2016             Introduction to Wheeled Mobility: Considerations in Occupational and Physical  
Therapy Practice. Western Schools, Brockton, MA.
- May 2016                Introduction to Wheelchair Seating and Positioning: Considerations in  
Occupational and Physical Therapy Practice. Western Schools, Brockton, MA.

### Text Chapters:

---

- Feb 2020                 Wheelchair and Seating Selection. In Dirette, D. & Gutman, S. (Eds.), Occupational  
Therapy for Physical Dysfunction, eighth edition. Wolters Kluwer, Philadelphia, PA.
- Nov 2017                Power Mobility: Alternative Access Methods. In Lange, M. & Minkel, J. (Eds.),  
Seating & Wheeled Mobility: A Clinical Resource Guide. Slack, Inc., Thorofare, NJ.
- Nov 2017                Power Mobility: Advanced Applications. In Lange, M. & Minkel, J. (Eds.), Seating &  
Wheeled Mobility: A Clinical Resource Guide. Slack, Inc., Thorofare, NJ.
- March 2014              Brady: An Individual with Significant Physical Disabilities and Cortical Visual  
Impairment. In Augmentative and Alternative Communication: An Interactive  
Clinical Casebook. Plural Publishing, San Diego, CA.
- Jan 2008                 Clinical Fundamentals. In Lange, M. (Ed.), Fundamentals in Assistive Technology,  
4<sup>th</sup> Ed. RESNA Press, Arlington, VA.

- Jan 2008                      Access. In Lange, M. (Ed.), Fundamentals in Assistive Technology, 4<sup>th</sup> Ed. RESNA Press, Arlington, VA.
- Jan 2008                      Electronic Aids to Daily Living. In Lange, M. (Ed.), Fundamentals in Assistive Technology, 4<sup>th</sup> Ed. RESNA Press, Arlington, VA.
- June 2007                     Chapter revisions: Unit 3: Anatomy. In Home Study Program for the Assistive Technology Supplier, on-line course. Treffler, E. editor. University of Pittsburgh.
- June 2007                     Chapter revisions: Unit 4: Pathophysiology. In Home Study Program for the Assistive Technology Supplier, on-line course. Treffler, E. editor. University of Pittsburgh.
- June 2007                     Chapter revisions: Unit 9: Technology in Special Environments. In Home Study Program for the Assistive Technology Supplier, on-line course. Treffler, E. editor. University of Pittsburgh.
- Oct 2001                      Seating Intervention and Postural Control (with J. Pedersen and C. Griebel). In Olsen & DeRuyter (Eds.), Clinician's Guide to Assistive Technology, (pp. 209-236).
- Fall 1999                      Integrating Assistive Technology into Your Practice. Web-Based workshop, AOTA. Author for Computer chapter and co-author for positioning and mobility chapter.
- 1994                             Computer Resources for People with Disabilities. Alliance for Technology Access. Contributing author (pp. 145-150).

**Peer Reviewed Articles:**

---

- Apr 2022                      Dynamic Seating: providing movement for clinical benefit. PMG Journal. Posture & Mobility Group.
- Oct 2021                      Clinical Changes as a Result of Dynamic Seating in a Young Adult with Cerebral Palsy. Disability and Rehabilitation: Assistive Technology.
- Sept 2021                     **Lange**, Crane, Diamond, Eason, Pedersen, Peek. RESNA Position on the Application of Dynamic Seating. Assistive Technology. Online.
- Dec 2020                     **Lange**, Crane, Diamond, Eason, Pedersen, Peek. RESNA Position on the Application of Dynamic Seating. Online.
- Sept 2019                     Schiappa, Piriano, Bernhardt, Shea, Maurer, Rosen, **Lange**, Schmeler, Dicianno. RESNA Position on the Application of Seat Elevation Devices for Wheelchair Users (update). Online.
- Mar 2018                     Rosen, Plummer, Sabet, **Lange**, Livingstone. RESNA Position on the Application of Power Mobility Devices for Pediatric Users (update). Assistive Technology. 1-9.

- Dec 2015 Babinec, Cole, Crane, Dahling, Freney, Jungbluth-Jermyn, **Lange**, Pau-Lee, Olson, Pedersen, Potter, Savage, Shea. RESNA Position on the Application of Wheelchairs, Seating Systems, and Secondary Supports for Positioning versus Restraint. Assistive Technology. Vol 27, Issue 4.
- Sept 2015 Dicianno, Lieberman, Schmeler, Souza, Cooper, **Lange**, Liu, Jan. RESNA Position on the Application of Tilt, Recline, and Elevating Legrests for Wheelchairs Literature Update. Assistive Technology.
- Dec 2009 Rosen, Arva, Furumasu, Harris, **Lange**, McCarthy, Kermoian, Pinkerton, Plummer, Roos, Sabet, Vander Schaaf, Wonsettler. RESNA Position on the Application of Power Wheelchairs for Pediatric Users. Assistive Technology. 21: 218-226, Winter 2009.
- Nov 2009 Arva, Paleg, **Lange**, Lieberman, Schmeler, Dicianno, Babinec, Rosen. RESNA Position on the Application of Wheelchair Standing Devices. Assistive Technology. 21: 161-168, Fall 2009.
- Sept 2009 Arva, Schmeler, **Lange**, Lipka, Rosen. RESNA Position on the Application of Seat-Elevating Devices for Wheelchair Users. Assistive Technology. 21.2: 69-72, Summer 2009.

2022

- October 2022 Seating and Wheeled Mobility Recommendations: Be Specific! Clinical Editorial. In Directions, Vol. 5. (pg. 44-45).
- August 2022 Using Dynamic Seating to Reduce Client Injury and Equipment Damage. Rehab Case Study. In Directions, Vol. 4. (pg. 40-43).
- August 2022 Seeking a Balance to Provide Both Client-Centered Care and Efficient Service Delivery. Clinical Perspective. In Directions, Vol. 4. With Jean Minkel. (pg. 32-37).

August 2022                      Jumping to Product Before Defining Parameters. Clinical Editorial. In Directions, Vol. 4. (pg. 38-39).

May 2022                            Pediatric Power Wheelchairs: a comparison of available options. In Focus: Pediatric Power & Early Intervention, a special issue of NRRTS Directions magazine. (pg. 22-25).

May 2022                            A Parent's Perspective on Pediatric Power Mobility. In Focus: Pediatric Power & Early Intervention, a special issue of NRRTS Directions magazine. (pg. 34-37).

February 2022                      Don't Skip the Mat Assessment! Clinical Editorial Column. In Directions, Vol. 1. (pg. 42-43).

2021

December 2021                      Recline: clinical indicators. Medical Focus Column. In Directions, Vol. 6. (pg. 18).

December 2021                      Complex Rehab Innovation: Lauren's Power Wheelchair Gets Smart. Directions, Vol. 6. (pg. 38 – 42).

October 2021                        Tilt in Space: clinical indicators. Medical Focus Column. In Directions, Vol. 5. (pg. 46).

May 2021                              Spina Bifida. Medical Focus Column. In Directions, Vol. 3. (pg. 30).

March 2021                            Prematurity. Medical Focus Column. In Directions, Vol. 2. (pg. 32).

February 2021                        Seizures. Medical Focus Column. In Directions, Vol. 1. (pg. 22 – 23).

2020

November 2020                        Medical Devices and Wheelchair Seating and Mobility Considerations. Medical Focus Column. In Directions. (p. 20-21).

September 2020                      Range of Motion Definition and Assessment. Medical Focus Column. In Directions. (p. 22-23).

July 2020                                Duchenne Muscular Dystrophy. Medical Focus Column. In Directions. (p. 20).

June 2020                                Vibration Impact on Manual Wheelchair Users. Medical Focus Column. In Directions. (p. 18).

April 2020                                Updated Pressure Injury Definitions and Staging. Medical Focus Column. In Directions. (p. 20-21).

Feb 2020                                 Arthritis in Adults with Cerebral Palsy. Medical Focus Column. In Directions. (p. 20).

2019

Dec 2019 Reducing Pressure Injury Risk on Sleeping Surfaces. Medical Focus Column. In Directions. (p. 16).

Oct 2019 Amputations and Wheelchair Seating and Mobility. Medical Focus Column. In Directions. (p. 22).

July 2019 Pain in People using Wheelchairs – prevalence, causes and interventions. In Directions. (p. 30, 32-34).

May 2019 Metabolic Disorders. Medical Focus Column. In Directions. (p. 28).

March 2019 Seating Surface Considerations for Travel. Medical Focus Column. In Directions. (p. 22-23)

Jan 2019 Hip Dysplasia. Medical Focus Column. In Directions. (p. 24)

2018

Oct 2018 Shear. Medical Focus Column. In Directions. (p 26-27)

August 2018 Orthostatic Hypotension. Medical Focus Column. In Directions. (p 24-25)

June 2018 Cerebral Vascular Accidents. Medical Focus Column. In Directions. (p 32-33)

May 2018 Let's Get Moving! Providing Movement Within a Wheelchair Seating System. Eparent.com

Feb 2018 Amyotrophic Lateral Sclerosis. Medical Focus Column. In Directions. (p. 28-29)

Feb 2018 Power Wheelchair Alternative Driving Methods. In Directions. (p. 31-37)

2017

Dec 2017 Muscle Tone: Medical Focus Column. In Directions. (p. 25)

Oct 2017 Joshua: a sleep positioning journey. In Directions. (p. 38-41)

Oct 2017 Tissue Biomechanics. Medical Focus Column. In Directions. (p. 22)

Aug 2017 Multiple Sclerosis. Medical Focus Column. In Directions. (p. 26)

June 2017 Pressure Relief Guidelines. Medical Focus Column. In Directions. (p. 28)

Feb 2017 Dynamic Seating: The Results are in! In Mobility Management. (p 14-17)

Feb 2017 Repetitive Stress Injuries. Medical Focus Column. In Directions. (p. 26)

2016

- Dec 2016 Spinal Asymmetries and Medical Interventions. Medical Focus Column. In Directions. (p. 34-35)
- Dec 2016 Pediatric Molded Seating. In Directions. (p. 40-44)
- Oct 2016 Car Seats: Current Transportation Guidelines. Medical Focus Column. In Directions. (p. 46)
- Sept 2016 Wilson, PE, Lange, ML, Mandac BR. Seating Evaluation and Wheelchair Prescription. Medscape. Updated Sept 6, 2016. Available at: <http://emedicine.medscape.com/article/318092-overview>.

- Feb 2006 Assistive Technology Assessments. In Advance for Occupational Therapy Practitioners. (pp. 44 – 45).
- 2005
- July 2005 Funding Power. In Rehab Management. (pp. 34 – 37).
- 2004
- Summer 2004 24 Hour Postural Management. In PM&R Update, Vol. 9, Issue 2. with Kelly Waugh, MA

## 2002

Feb 2002 Assistive Technology and Switch Access Occupational Therapy Evaluation. In OT Practice (pp. CE-1-8).

Feb 2002 Evaluating the Options: the pros and cons of dependent mobility systems. In Rehab Management (pp. 20-23).

## 2001

Dec 2001 Focus on EADLs in the Work Setting. In OT Practice (pp. 19-20).

Nov 2001 Focus on EADLs in the School Setting. In OT Practice (pp. 17-18).

Oct 2001 Focus on Positioning Philosophies. In OT Practice (pp. 15-16).

Sept 2001 Focus on Seating Angles. In OT Practice (pp. 23-24)

Aug 2001 Focus on EADLs and Aging Clients. In OT Practice (pp. 16-18)

July 2001 How Much Support is Too Much Support? On RehabCentral.com.

July 2001 Focus on Alternative Keyboards. In OT Practice (pp.19-20)

May 2001 Driving with Your Head: head controlled power wheelchair access methods. On RehabCentral.com.

May 2001 Focus on A Comparison of Seating Materials. In OT Practice (pp. 21-22)

April 2001 Appealing Insurance Rejections. In Exceptional Parent (pp. 67)

Feb 2001 Focus on Switches. In OT Practice (pp. 18-20)

Jan 2001 Focus on Windows Accessibility Features. In OT Practice (pp. 20-22).

## 2000

Dec 2000 Focus on EADLs and Young Children. In OT Practice (pp. 19-21).

Nov 2000 Hand or Foot? An Access Case Study. On RehabCentral.com.

Nov 2000 Focus on Seating Systems. In OT Practice (pp. 23-24).

Nov 2000 Professional Credentialing and Assistive Technology: What Parents Need to Know. In Exceptional Parent (pp. 61-63).

Oct 2000 Focus on Mobility Training for Power Wheelchairs, in OT Practice (pp. 21-22).

Sept 2000 Why I do what I do. On RehabCentral.com.

Sept 2000 Focus on Premobility Training for Power Wheelchairs. In OT Practice (pp. 13, 23).

Aug 2000 Focus on Single-Switch Software. In OT Practice (pp. 21-22).

July 2000 Focus on Dynamic Seating. In OT Practice (pp. 21-22).

July 2000 She Just Needs a New Headrest! On RehabCentral.com.

June 2000 Funding Trays (Upper Extremity Positioning Devices). On RehabCentral.com.

June 2000 Communication Device Mounting Systems for Wheelchairs. On RehabCentral.com.

June 2000 Tilt in Space Versus Recline – New Trends in an Old Debate. In Technology Special Interest Quarterly, American Occupational Therapy Association.

June 2000 Focus on Augmentative Communication Devices and EADLs. In OT Practice (pp. 21-22).

May 2000 Focus on Tilt and Recline Systems. In OT Practice (pp. 21-22).

April 2000 Letter of Medical Necessity (for two wheelchairs). On RehabCentral.com.

April 2000 Focus on Assistive Technology Web Resources. In OT Practice (pp. 19-20).

March 2000 Focus on Seating: Positioning the Head. In OT Practice (pp. 19-20).

Feb 2000 Focus on Interfacing Assistive Technology with Power Wheelchairs. In OT Practice (pp. 23-24).

Feb 2000 One of my Favorite Cushions – The Stimulite. On RehabCentral.com.

Jan 2000 Interfacing Assistive Technology with Power Wheelchairs – Part four, Reset and Standby. On RehabCentral.com.

Jan 2000 Focus on Computer Based EADLs. In OT Practice (pp. 21-22).

1999

Dec 1999 Interfacing Assistive Technology with Power Wheelchairs – Part three. On RehabCentral.com.

Dec 1999 Focus on Dependent Mobility Bases. In OT Practice (pp. 23-24).

Nov1999 Interfacing Assistive Technology with Power Wheelchairs – Part two. On RehabCentral.com.

Nov 1999 Focus on On-screen Keyboards. In OT Practice (pp. 21-22).

Nov 1999 Wheelchair Mounting Systems. In Rehab Report (pp. 24-29).

- Nov 1999                      Dependent Mobility Systems. In Rehab Report (pp. 19-23).
- Oct 1999                      Focus on Rate Enhancement Software. In OT Practice (pp. 49-50).
- Oct 1999                      Electronic Aids to Daily Living. In Rehab Report (pp. 24-27).
- Sept 1999                     Focus on Direct Access Electronic Aids to Daily Living. In OT Practice (pp. 45-46).
- Aug 1999                     Interfacing Assistive Technology with Power Wheelchairs, Part One: Introduction to Interfacing. On RehabCentral.com.
- July/Aug 1999                Focus on Power Wheelchair Access Methods. In OT Practice (pp. 47-48).
- June 1999                     Focus on Voice Controlled EADLs. In OT Practice (pp. 43-44).
- May 1999                     Focus on Positioning the Upper Extremities. In OT Practice (pp. 49-50).
- March 1999                   Focus On Switch-Based Electronic Aids to Daily Living. In OT Practice (pp. 47-48).
- Jan 1999                     SubASIS or no subASIS, that is the question! On RehabCentral.com.
- 1998
- Dec1998                     Kids in the Clinic: A Hospital-Based Pediatric Assistive Technology Service Delivery Model. In Technology Special Interest Section Quarterly (pp. 1-2).
- Dec 1998                     Let's Get Practical (positioning). On RehabCentral.com.
- Dec 1998                     Focus on Anterior Trunk Supports. In OT Practice (pp. 41-43).
- Nov 1998                     Electronic Aids to Daily Living. In TeamRehab Report (pp. 53-56).
- Nov 1998                     Focus on Alternative Reading Options. In OT Practice (pp.43-44).
- Oct 1998                     Focus on Alternative Mice. In OT Practice (pp. 45-47).
- June 1998                     Focus on Low-Tech Communications and Access. In OT Practice (pp.51-52).
- Summer 1998                Electronic Aids to Daily Living. In Carolina Computer Access Center Newsletter (pp. 1-2).
- May 1998                     Focus on Low-Tech Computers and Access. In OT Practice (pp. 49-51).
- April 1998                    Focus on Low-Tech Positioning. In OT Practice (pp. 49-51).
- March 1998                   Focus on Low-Tech Environmental Controls and ADL. In OT Practice (pp. 49-51).
- 1997

- Oct 1997 Focus on Computer Switch Input. In OT Practice (pp. 49-51).
- Sept 1997 What's New and Different in Environmental Control Systems. In TeamRehab Report (pp. 19-23).
- July 1997 Focus on Technology. In OT Practice (pp. 41-42).
- June 1997 A Comparison of Wheelchair Mounting Systems. In TeamRehab Report (pp.14-15, 52).
- May 1997 Focus on Technology. In OT Practice (pp. 51-52).
- May 1997 Tapping into Technology with ECU's. In Advance for Directors in Rehabilitation (pp. 15 - 16).
- 1996
- Dec1996 ECUs 101. In OT Practice (pp. 27 - 31).
- Dec 1996 Focus on ... Switches. In OT Practice (pp. 47 - 49).
- Oct 1996 Selecting an ECU (updated). In TeamRehab Report (pp. 57-59).
- Sept 1996 Focus On ... Assistive Technology column. In OT Practice (pp. 53 - 55).
- 1995
- Nov 1995 High-Tech Solutions for Low Vision. In OT Week (pp. 14-15).
- Nov 1995 Selecting an ECU. In TeamRehab Report (pp. 43-45).
- Sept 1995 Aiming High. In TeamRehab Report (pp. 26-30).
- Jan 1995 A Custom Fit. In TeamRehab Report (pp. 22-26).
- 1993
- Feb 1993 Consumer Knows Best: Promoting Choice in Assistive Technology. In PT Magazine (pp. 50-56).
