

No more tears

357

It's raining, it's pouring
my lovelife is boring me to tears, after all these years

No sunshine, no moonlight, no stardust,
no sign of romance we don't stand a chance

I've always dreamed I found the perfect lover,
But he turned out to be like every other man.

Our love, our love

Raining (raining) Pouring (pouring)
There's nothing left for us here, and we won't waist
another tear

If you've had enough, don't put up with his stuff,
Don't you do it

If you've had your fill, Get the check pay the bill,
You can do it

Tell him to just get out, nothing left to talk about
pack his raincoat show him out
Just look him in the eyes and simple shout

No more tears

Enough is enough
I can't go on, I can't go on, no more no

Enough is enough,
I want him out, I want him out that door now
I've always dreamed to find the perfect lover,
But he turns out to be like every other man
Our love (I had no choice from the start)
Our love (I've gotta listen to my heart)
Our love (tearing us apart) Our love

Enough is enough, is enough
I can't go on, I can't go on, no more no

Enough is enough, is enough
I want him out, I want him out that door now
Goodbye mister, goodbye, goodbye mister,
goodbye sugar No more tears (no more tears)

I've had it, you've had it, he's had it, we've had it
Enough is enough, is enough, is enough, is enough
is enough, is enough, is enough, is enough.
