Re; Local 119 Call-out Addendum

While dealing with effects of the COVID-19 Pandemic, UA Local 119 will be following State and UA Guidelines for social distancing and gatherings of people. The current Call-Out Procedure calls for members to show up in person to the Hall for call-outs starting at 8am. If the call is not filled by members present, the manager or dispatcher will use the out-of-work list to call members to fill the job order.

*****During this pandemic, all call outs will be filled without members coming to the hall. The normal call-out rule that you must be present has been waived at this time.**

- All Call-outs will be put on the job line at Local 119 as they are received. The Job line can be accessed by calling 251-476-0035, and following the prompts on the recorded message.
- Call-outs will begin each morning (as directed on the recording) at 8am sharp. Again, do **NOT** come to the hall.
- The Business Manager or Dispatcher will go down the out-of-work list to fill all manpower calls.
- When possible, all work referrals will be emailed or faxed to employer for members to sign when they hire in on site. We are trying to eliminate the need for members to have to come to the Hall to pick up referrals in person. If there is no other way to get referrals signed, members will be brought to the hall one at a time to avoid gathering.
- Members should follow all CDC, State, and Federal Guidelines for health and safety during this pandemic.
- This procedure will apply without exception to every person regardless of race, religion, by-laws, regulations, constitutional provisions, or any other aspect or obligation of Union Membership or requirements.

This addendum will remain in place until state and federal agencies have removed shelter-in-place and limited shutdown orders. The Executive Board will meet at that point and decide when to remove this addendum.

To update your contact info, please send it to 119p@bellsouth.net

Sincerely,

UA Local 119
Business Manager
