SUBJECT: FY17 ASMC Washington Chapter Award Winners

The American Society of Military Comptrollers Washington Chapter Achievement Awards provides us a valuable opportunity to recognize truly deserving individuals who have proven themselves to be essential financial managers for the defense financial management community. Each year we are even more astounded by the quality of nominations we receive, as these individuals and teams epitomize the talent, ingenuity, and resilience of our financial management workforce. It is my utmost honor and privilege to announce the FY17 award winners who share the distinction of being the best in their respective organizations.

The winners will be recognized at National Capital Region (NCR) Professional Development Institute (PDI) on Thursday, 8 March 2018 at the Ronald Reagan Building and International Trade Center. I encourage award recipients to attend the ceremony to receive their awards and recognition. Winners of team awards are encouraged to attend; however, only one designee for the small team and two designees for the large team may accept the award. Please direct questions to Ms. Wendy Pouliot, 703-697-0156, wendy.pouliot.civ@mail.mil.

Congratulations to all award recipients and nominees!
