Appendix #2

This is C & C's Segment I classroom make-up time and State of Michigan Test retake policies. Class Make-up time and Test retake policies are listed below:

Under the State of Michigan, students in Segment I class must complete a minimum of 24 hours in class with a certified instructor. Students who miss class time must make it up. We offer students 2 options:

1. Students can return to the next Segment I class and make up time on dates(s) given by an instructor for no additional cost.
2. Student will be given a time by the instructor for make up at an earlier date but must pay \$40 dollars an hour. However, if more than one student needs to make up time, the hourly cost of \$40 an hour can be shared by those students. C & C Driving School doesn't profit from doing make up classes, below are the costs incurred:
 - a. \$20 goes toward paying DeWitt School Districts room rental fee.
 - b. \$20 goes towards paying the instructor.

Appendix #3 Additional classroom rules

2. Any damage done by a student to DeWitt school property, buildings, or grounds will result in the student being immediately dropped from the class with NO refund given. Any payment necessary for the damage will be the responsibility of the student and/or parent. Criminal activity will be reported to local authorities and the student's parent/guardian.
3. Restroom use will be limited to before class unless it's an emergency.
4. Students are responsible for having their class materials with them for each class and their drive sheet for each drive.
5. Please no open toe shoes when driving.
6. Any student suspected of being under the influence of alcohol or drugs during class or while driving may/will be dismissed from the program and their parent/guardian will be notified. If necessary, local law enforcement officials will be notified. No refund given.
7. Please no food, beverages, or gum allowed in class or while driving.
8. Students are expected to pay attention during class and on their drives. Excessive talking either in class or while driving could impact their passing the test and the class.
9. Attitude and maturity are an important part of driver's education and of teenage driving. There are always risks when teaching new drivers, the consequences are too great to have immature teenagers behind the wheel with other students and instructors in the car.
