Camp Frequently Asked Questions

We believe in sunshine, exercise, and outdoor play.

- 1. What are the dates and hours of camp?** The 2023 camp season is nine weeks, **June 19 – August 18**. Programs run Monday through Friday. Hours are 9 A.M. to 4 P.M. for the regular camp with dismissal starting at 3:45 p.m. We also offer before-care starting at 7:00 A.M. and after-care ending at 6:00 P.M.
- 2. What is the dress code?** Dress for active outdoor play shorts, a t-shirt, and closed-toe shoes. Swimsuits and sandals on days with water. Swimming days are Tuesdays or Thursdays. Camp groups 1-4 will go swimming on Tuesdays, and camp groups 5-8 will swim on Thursdays. You will receive notification before camp begins on which group your child has been assigned to.
- 3. Do you serve meals?** No, campers should bring a lunch and two snacks daily. However, Fridays we do have a free lunch for the children. Our preliminary schedule is that on odd weeks, we will provide a Chick-Fil-A chicken sandwich, and on even weeks, we will provide pizza. You should still pack snacks for your child on these days to accompany the free lunch. **Please note that snacks and lunches need to be peanut-free / tree-nut free.**
- 4. What is the staff like?** We aim for a mix of ages and genders. Many college students and adults who work child care are on our team. All camp staff members have Pennsylvania-mandated clearances in FBI fingerprints, PA child abuse clearances and training, PA State Police, etc. Our staff includes licensed school teachers who spend the summer with us.
- 5. Should I bring sunscreen?** Students should bring sunscreen, as we are outside throughout the day. Sunscreen is extremely important on swim days, as the pool is outdoors. We highly recommend the spray sunscreen, as it is easier for children to apply. Please note that our staff members are not permitted to apply lotion type sunscreen to any child. Campers should come to camp with sunscreen applied, and will be instructed to re-apply mid-morning, mid-afternoon, and before swimming.
- 6. What if my child is sick before or during the camp day?** If your child is not feeling well, please keep them home and call us to report their absence. If your child becomes ill during the camp day, we will call you if necessary. If your child has tested positive for COVID, they may not attend camp for five days. This policy is subject to change based on CDC guidance.
- 7. Does the camp offer recreational swimming?** Each child will have the option of participating in recreational swimming and pool activities every week. Swimming and pool activities will be held each week under the supervision of program staff and lifeguards (see "Parent Permission" Policy for further information). Prior to any child participating in swimming activities, lifeguards will test each participant's swimming ability. Participants are then allowed access to designated sections of the pool based on their swimming abilities. Swimming days are Tuesdays or Thursdays. Camp groups 1-4 will go swimming on Tuesdays, and camp groups 5-8 will swim on Thursdays. You will receive notification before camp begins on which group your child has been assigned to.

16. **What is your "Emergency Information" policy?** All children participating in the KidsCamp summer day camp program will be required to have up-to-date parent, emergency, and pick-up information on file at all times. 17. **What is your policy on allergies?** It is the responsibility of parents to ensure that the KidsCamp office is alerted about all allergies and medical conditions at the time of registration.

18. **What is your policy on first aid?** Parents are required to provide an electronic signature at the time of registration that will allow staff members to provide first aid to their child, as well as permit the summoning of, and subsequent treatment and transport by emergency medical personnel.

Parents of participants who have to require an EpiPen will be required to have a completed medication form, provided by KidsCamp, completed by their family physician, as well as providing the necessary "measured" dosage of any prescribed medicine, in its original container, according to School District and KidsCamp policy.

19. **What is your photo release policy?** Attendance of a child at KidsCamp implies and grants the parents' and/or guardians' permission to KidsCamp and/or KidsCare officials the right to use, reproduce, and/or distribute photographs of their child participating in KidsCamp activities, without compensation or approval rights, for use in materials created for purposes of promoting the activities of KidsCamp.

Parent Permission (1 signature required)

1. Child Care / Parent Agreement

1.1 I understand and certify that my child's participation in all KidsCamp activities is voluntary and that I have familiarized myself with the camp's activities and programs.

1.2 I recognize that certain hazards and dangers are inherent in running, swimming, and other sports. I further acknowledge that KidsCamp has taken safety measures to minimize the risk of injury to camp participants and that KidsCamp cannot ensure or guarantee that the participants, equipment, premises, and/or activities will be free of accidents and/or injuries.

1.3 Recreational swimming activity is optional and advance approval is required from parents. The pool depth usually ranges from approximately three (3) to nine (9) feet. In addition to KidsCamp staff, lifeguards provided by the pool facility will be on duty, and they will supervise all water activities.

Parents wishing their child to participate in these recreational swimming activities must indicate this preference under the section entitled "Swimming Activity Preference" on the Program Registration Form. If checked "Yes", the child(ren) will participate in the recreational swimming option as scheduled for the duration of her/his/their enrollment in KidsCamp. An unchecked box in this section will be interpreted as a "No".

Children not participating in the recreational swimming activity will remain at the KidsCamp program and participate in the regularly scheduled camp activities.

Swimming will be at a local community pool.

1.4 Local field trips are scheduled regularly throughout the entire summer. These field trips may include trips to state parks and special "off-site" activities such as bowling, miniature golf, etc.

Parents are notified about the local field trip(s) in which their child(ren) may participate via the weekly camp newsletter distributed on Monday of each camp week.

Unless otherwise notified in writing, a child's attendance at the KidsCamp programs "signifies the parental permission and consent" for the child to participate in local field trips.

1.5 Should parents choose not to have their child participate in a scheduled KidsCamp day camp program activity, it is the responsibility of the parent to contact the camp director at KidsCamp. Otherwise, the child will be allowed to participate in these activities.

1.6 Program Transportation. N/A

1.7 The duration of this agreement starts from the first date of registration and concludes on the last scheduled day of the KidsCamp program year in which the family participates.

2. This Child Care Agreement includes all information, rules, regulations, and policies included in the "KidsCamp Portfolio," as well as in the Registration Form/Child Care Contractual Agreement, Student Emergency Information/Emergency Release/Student "Pick-Up" Authorization Form, and any other program information and forms provided to the user by the provider during the duration of this agreement.
