## The Pastor's Thoughts

Well, I can take a deep breath now. Soccer season is over! It's bittersweet! Upward Soccer is such a wonderful opportunity for us to reach our community with the gospel. I believe that if we continue to love this community and share the gospel we will see the fruit of those labors. I wanted to share with you some of the great things that have happened through Upward Soccer. First, I just want to remind everyone that God doubled the soccer league this year. Bringing the total number of registered children from 67 to 134. We had the chance to share from the book of James with those children during practice devotions each week. Not only that, but those children and their families heard devotions or a gospel presentation before each soccer game and at the awards ceremony. This year we have had three different families visit our church as a direct result of our ministry to them through Upward Sports. Let's give thanks to the Lord for the work He is doing and let's continue to pray for all of the families that we have had contact with. Pray for them to know Jesus as Savior! Pray for some to come and join us on mission! Thank you for your help and support in making known the name of JESUS! Pastor Pete
