### A Message from our Pastor

Dear Brothers & Sisters in Christ,

San Martin de Porres is a parish on a mission. In order to effectively fulfill our mission we all participate and contribute to the best of our ability. And while we work to fulfill our mission we are also a family. Each member of a functioning family contributes to the best of their ability.

Faith and promoting the Sacramental Life in Sahuarita. There are currently many opportunities to expand our existing ministries as well as adding ministries. These opportunities require the substantial support of the entire 'family'.

Our Lord has given us our commission as Catholics and as a parish. And while the need is great, I believe in our parish family we have the resources to meet the needs in Sahuarita. We are committed to nurturing our community with the Word and Sacraments, while providing a community for faith to grow.

Our parish has a unique opportunity to be a 'light in the darkness' and a 'city on a hill' here in our growing area. Sahuarita is a growing community and our parish is rising to the occasion, also growing and expanding.

While 2017 was a great year, I am looking forward to expanding our capacity for teaching the One True

### Parish Mission

"We are the Catholic community in Sahuarita, Arizona, committed to proclaiming the Gospel of Jesus Christ. Nurtured by the Eucharist, we spread His love to all through the Word, the Sacraments and acts of charity in our everyday lives."

## Time, Talent & Treasure...

To be very clear, we need each other; the Body of Christ. I need your financial help in order to continue to grow our parish ministries to match the needs of Sahuarita.

Please prayerfully consider regular financial support of the Parish as we join together as family to accomplish our Mission.

It is our obligation, as Catholics, to support the local parish with our financial resources for the current and continued work. Please consider using the giving envelopes the parish provides as a means of keeping yourself accountable to regular giving and helping us to track and forecast.

You may also consider signing up for online giving which can be one time or set for regular contribution. This can be a great way to begin budgeting all areas of our finances and becoming better stewards of our entire financial picture.

You are greatly appreciated and loved at our parish. If you would like help coming up with a strategy for greater contribution please contact the office, I would love to hear from you.

Fr. Juan Carlos Aguirre

## Our Vision, Our Future

As the spiritual needs of Sahuarita grow, our parish must grow to meet those needs. Our vision for 2018 is a vision of growth and expansion. There are many ministry opportunities.

This year we want to grow our Religious Education department in many ways. We want to add more catechesis as well as teacher training and retreats. For our classrooms, we want to add more books and video material for our children to learn about Our Lord, the Sacraments, Saints, and generally prepare for living out their lives as Practicing Catholics. We want to expand our retreat and camp vision for our youth. We want to give our children and youth opportunities to build stronger friendships while they learn their faith, while providing opportunities for them to live it out in works of mercy.

We want our choirs and music program to expand to additional choirs while introducing a greater variety of sacred music. While we expand, there will be audio and visual needs to match our growth.

Our local church is more than a building, it contains our Lord! It is our house of prayer. We have a vision this year of making some cosmetic changes that reflect the honor due to our Lord in His Church.

We have the most amazing office staff. This year we want to continue to streamline and improve operations in staffing and equipment, while serving the

administrative needs of our parish.

We are actively looking for opportunities to add more ministries this year such as men and women's ministry, 'golden years' group, and young adults. We will also be adding family classes to our religious education

The mission field is before us and we are excited at what the future holds for San Martin in 2018 and beyond.
