

WHOLESALE PRODUCT GUIDE

In•teg•ri•ty

Noun

1. the quality of being honest and having strong moral principle; moral uprightness

At INTEG Wood Products, we base our company on integrity — beginning with our name, and carrying through to our finished product. We strive to provide good quality furniture at an honest price. Going through our catalog, you will find entertainment furniture styles ranging from Traditional to Contemporary and Rustic. The options don't end there though—**our ability to design custom furniture makes the possibilities endless.** Whether you choose a design based off one of our existing pieces or a completely new design, we provide you with a computer sketch before we get started. Should you run into any problem in the process, let us know...we'll fix it!

STANDARD FEATURES

DRAWER CONSTRUCTION

All drawers have dovetail corners and smooth black full extension ball bearing slides.

DOOR CONSTRUCTION

All doors are hardwood and have a mortise and tennon construction to assure they'll last for years to come.

DRAWER ORGANIZATION

All media drawers have fully adjustable drawer dividers. They can also be removed if they're not needed.

LIGHTS

All of our lights are operated with a 3-stage touch dimmer.

CORD MANAGEMENT

All media units have cord access holes in the appropriate places. Adjustable shelves in those sections are kept 1" short from the back to keep cord hole accessible from each area.

CABINET HARDWARE

Whether it is drawer slides, hinges, catches, pulls, or knobs, you can rest assured that we use top quality products from manufacturers such as Fulterer, Amerock, and Saliche and more.

DOOR CATCHES

All doors have a magnetic catch to keep door closed. Doors with no hardware have an added touch release magnet.

**Applies to inset doors only*

CUSTOMIZATION

Use your imagination! We manufacture complete custom pieces, and we provide a computer drawn sketch to help you visualize beforehand.
