**On the Road Instruction:** Each student is required by law to drive at least 6 hours and observe at least 4 hours with one of our certified driving instructors. Sometimes there are situations such as students being ill, not showing up for their scheduled drive, or something else that makes the scheduled drive difficult to complete. By signing the "Parent waiver agreement for individualized on-the-road instruction" this will allow our instructor the opportunity to have your son/daughter drive with them if they are the only student in the car with our instructor.

The law requires C & C Driving School provide behind-the-wheel instruction with not less than 2 students in the vehicle. That requirement may be waved if the parent/legal guardian signs the waiver agreement below allowing for their son/daughter to be given individualized instruction in the car.
