

Highland Ridge Surveillance Footage Policy

1) Homeowners can initiate a request to save security camera footage. They need to provide the date and time frame needed, as well as a justification.

2) Upon approval of the board, the footage will be recovered by Partners. Incurred Costs will be covered by the HOA.

3) Footage:

a. will be stored by HOA.

b. will be turned over directly to law enforcement agencies or investigating authorities upon request.

c. will not be turned over to private citizens due to potential liability and other legal issues.
