Massillon Baptist College dormitory—Dr. W. Jay Dolvin Hall—has separate floors for men and ladies. Each dorm room has built-in wardrobes with storage space, and study tables with chairs. These rooms are spacious enough to accommodate four people. Each room has bunk beds. The rooms are electrically heated, with separate controls in each room for comfort. The ladies have sinks and counters in each room.

Each floor has shower and lavatory facilities. Washers and dryers are provided free of charge. A dormitory supervisor's apartment is also located in the building to assure safety, fellowship, and godly counseling.

The dormitories are within easy walking distance of all classrooms, so that a car is not necessary. However, for those who have automobiles, a lighted parking lot is located adjacent to the building. Students must have proof of insurance on file in the college office before permission to drive or park on the campus may be granted. For security purposes, parking tags will be issued to those students with automobiles.

3. Stoves, refrigerators and microwaves are provided for student use. However, a student may have a small room refrigerator in his/her room at the extra cost of \$5.00 a month.
