Business Park/Municipal Building Paving- The board walked around the municipal building prior to meeting to look at the parking lot issues. John would like to get a quote to put on the ballot for next year for approval. This would include completely redoing the lot, accessibility and draining issues.

John wrote up a bid plan to put out to bid for the Business Park to have the paving completed from the entrance of Burnham Rd to Doles Ridge Road.

Legal Accounts: Our town attorney's office is working on complaint from H. Edgerly, we are awaiting the outcome from their office.

Board approved Jason Wright to the Planning Board, **motioned** by Gil and **seconded** by Wade.

MMA- Worker's Comp Audit: John is going to do some research with Gil and look into why audit amount due is much greater than expected. They want to make sure that all personnel are coded correctly.

Gil mentioned scheduling the repair on the town gazebo
