Old Business

Griswold Great Get-Together Carnival & Fireworks

Overall, if Commission had to choose to cancel the event. It would have to be done by the first week in June. This would be the same decision for the carnival, as well.

Any Other Business

Ryan Aubin explained that we will be purchasing basketball hoops and storing them at public works because of a large donation that came in, which will be lost at the end of the fiscal year since we no longer have the Recreation Fund (which rolls over year to year.)

Commission discussed two possible locations for the full size basketball court. The current Skate Park, which the public would vote on and be part of the discussion or the RLB Memorial Field in front of public works.

Public works location would also include nature trails that Ryan Snide and Sonja Murray scouted. That new trail could tie into the current blue trail from Pachaug State Forest. The basketball court would also be more accessible to Residents outside of the Borough, whereas currently most of our fields/playgrounds/parks are within the Borough.

Ryan explained Summer Camp is still business as usual, until it is formally cancelled. Explained backup plans incase Governor restricts mass gathers of 100 or more. The camp would be split up into three location, GES/Sheldon Road/Youth Center.

Chairwomen Carol Mauro wanted to formally thank Sonja for the years of service, and the whole Commission expressed their appreciation for her dedication to the community.
